Is this your car on Sunday?

A Sunday morning-crisp, sunshiny weather-roads hard and smooth. What a day for motoring!

Your car is "dead" in the garage. It may be carbon-clogged cylinders and valves -burned-out bearings-any one of a multitude of troubles.

You are pretty safe in blaming your oil. Seventy-five per cent of engine troubles are caused by oils poor in quality or wrong in type.

Sunoco Motor Oil insures freedom from carbon-clean, compression-tight cylinders -smooth, noiseless bearings.

We will tell you which of the six Sunoco types fits your engine.
