Sea Monsters' Duel to the Death Witnessed by Fishermen Off South Carolina Coast.

A combat between sharks is a rare sight, but a battle to the finish was witnessed in the sea off the South Carolina coast by some fishermen. A commotion in the water first attracted attention to the spot. The two er with the utmost fury; and as the struggle took place at the surface of All wool suits at \$25. You can't the water, the anglers had an excellent view of it. The sharks fought, not with their teeth, but with their long, powerful tails. They dashed furiously at each other, darting this way and that, each lashing at the other Mr. and Mrs. C. W. Hake and with his tail. At no time did the specafter a while one of the combatants began to show signs of distress. It gradually weakened and presently turned sideways on the surface and 299-tt then over on its back, in which position it floated, apparently dead. The men in the boat were about to attach a rope to the carcass when suddenly there was a mighty swirl in the water, and the other shark came swiftly to the surface, seized the defeated foe in his jaws and carried him down out of sight.

#### Quaint Garter Customs.

There are several quaint customs in connection with garters. A description of two, however, must suffice. The one is that prevalent in several mid- NightPerformanceOnly European countries, of taking off the bride's garter by the best man at the breakfast, and cutting it up, and dis-Mr. and Mrs. Albert Roach, who tributing the pieces among the groomsmen and guests.

Roach and family, on Third street. practice in the German imperial H. R. Adams, the Plumber, sells left yesterday for their home in Ta- family of giving the bride thirteen coma, Wash. While here Mr. and pairs, one pair of which was kept as Phone 166-J, shop at 248 Fifth St. Mrs. Roach made the trip to Crater likely to bring her good luck. This Lake accompanied by Miss Virginia pair is always made of pale blue silk Roach. Albert and Earl Roach are (the maiden's color), and has diamond clasps. Another pair was sent to the museum of Berlin-where there are mething like ninety most interest ing specimens—and the remaining pairs were given as keepsakes to the young nobles and others who attended the bridegroom at the altar.

Judging from the modern specimens, less dainty, elaborate, or costly than of yore, though perhaps often worn more for ornament and sentiment than

#### Woman as Medal Designer.

Mme. Anie Mouroux, a French woman, is now on a visit to this and has achieved a world wide reputation as a designer and maker of medals. She designed a number of war medals, for the French government, and has done PRICES other notable work. She was a winner of the Prix de Rome, which was established in 1666, and during all that time she was the only wom-The Misses Hazel and Ethel Pow- an who contested for the honor. When ell, in company with their uncle, she was selected the award narrowed itself down to a group of six.
