Famous Minstrels Coming to Vining Monday Sept. 5th

Probably certain people have forgotten that they are minstrel fans, because it has been so long since they had an opportunity to see a really first class minstrel aggregation—however the minstrel microbe will get them when the Famous Georgia Minstrels make their flash dress parade over our main streets announcing their appearance at the Vining theatre next Monday, September 5.

"Questionable amusements" at one time was a common theme for debate, but the subject was never associated with a minstrel for never since the history of the human race started has the form of minstrel entertainment been questioned. The circus and the minstrel are two forms of innocent amusement which are patronized by tens of thousands of people who hold aloof from other attractions. Creating of laughter, the rendering of tuneful music, charming songs, comical stunts and curious novelties, constitute the purpose of the minstrel. For this reason, time and again in the professional papers the performers and others engaged in the legitimate amusement business have been assured by the government that amusements of this character are wondrous, in these strenuous times.

OAC Oregon's Higher Institution of TECHNOLOGY Eight Schools; Seventy Departments FALL TERM OPENS SEPT. 19, 1921 For information write to the Registrar Oregon Agricultural College CORVALLIS

the demand for the minstrels is increasing until it is impossible for the management of a first class company like the Famous Georgia Minstrels to fill one half of the dates offered them. People want to be entertained, to laugh, and thus their nervous systems are better tuned to the times.

With the Famous Georgia Minstrels are associated some forty people, all consisting of the very cream of the negro minstrel profession, and after all, the negro is the natural musician and minstrel of the human race, and during the engagement here will spring some more of their pleasing surprises.

Interesting Missionary Service

Rev. E. R. Martin, district superintendent of the American Sunday School Union, will speak at the Methodist church in Ashland Sunday evening at 7:30 o'clock. The American Sunday School Union has been doing rural missionary work for over one hundred years, reaching out into the neglected and otherwise unreached districts. Rev. Martin has been in the missionary work for twenty three years and will bring an interesting message out of a life in close touch with the rural missionary work.

Several of the churches have combined in making this a union service. Rev. Martin should have a good hearing from the people of Ashland and vicinity.
