Fraternal Orders and Societies.
 Advertising for fraternal orders or societies charging a regular initiation fee and dues, no discount. Religious and benevolent orders will be charged the regular rate for all advertising when an admission or other charge is made.

What Constitutes Advertising!
 In order to ally a misunderstanding among some as to what constitutes news and what advertising, we print this very simple rule which is used by newspapers to differentiate between them: "ALL future events, where an admission charge is made or a collection is taken IS ADVERTISING." This applies to organizations and societies of every kind as well as to individuals.
 All reports of such activities after they have occurred, is news.
 All coming social or organization meetings of societies where no money contribution is solicited, initiation charged, or collection taken is NEWS.

We make all quotations on **JOH WORK** from **THE FRANKLIN PRICE LIST.** Same prices—Reasonable Price—to all.

Entered at the Ashland, Oregon, Postoffice as Second Class Mail Matter.

Who breathes, must suffer;
 and who thinks must mourn;
 And he alone is blest who ne'er was born.—Prior.

Civic Club Airs Comments Made On "Rest Room"

We are hearing some of the comments on those letters that we sent to remind you that we hope you will help build the new Civic clubhouse. We regret that we are too shrinking to repeat the kind words from people who are eager for civic improvements and welcome this opportunity to help their womenfolks. We are glad to tell the person who complained of our extravagance that the paper, printing and envelopes, all bought in Ashland, were a gift. What Mrs. Dill would call "contributed by a good fairy."

One woman frothed because we ask for money "at this time of year." Just what time of year should one ask for money to build a clubhouse? We consulted the almanac but got no light.
 Here is an excellent diary for any woman who does not wish to give her time or money to any public work:
 January—Spent all my money for Christmas.
 February—Sewing for the family.
 March—Baby liable to be sick.
 April—Cleaning house.
 May—Busy in the garden.
 June—Making graduation dress.
 July—Too much company. Independence day. Chautauqua.
 August—Spent all my money on my vacation. Too hot.
 September—Getting the children off to school. Preserving.
 October—All the clubs start and dues have to be paid.
 November—Getting ready for Thanksgiving.
 December—Making plans for Christmas.
 GRACE H. CHAMBERLAIN.

Central Point Visitor—
 Professor Ercell Hedrick, of Central Point, was in Ashland last week visiting his parents, Mr. and Mrs. Will Hedrick of "B" street. Prof. Hedrick expects to teach again at Central Point this year, and his school will begin soon.

Highway Commission Reports on Jackson Co. Road Work

EDITOR'S NOTE
 A full report of the road work done in Jackson county under the supervision of the state highway commission and the Jackson county court is now available in the 1921 annual report of the state highway commission. As the detail is interesting but quite voluminous, the Tidings will print it in sections, dealing only with specific units in each issue. It deals not only with the work already completed with cost of each unit, but with the work immediately contemplated and that contracted but not completed.

(Continued from last Saturday)

Griffin and Jackson Creek Trestles Near Central Point
 Between Gold Hill and Central Point, the Pacific highway crosses Griffin creek on a pile trestle 83 feet long and Jackson creek with a similar structure 103 feet in length. These trestles are of heavy standard construction with laminated deck and asphalt paving.

Contract No. 189, for their construction, was awarded on July 8, 1919, to Jasten Hartman of Jacksonville. His work was complete on October 14, 1919, and cost \$3,680.70. This cost was borne entirely by the state.

Ashland Overcrossing
 In accordance with its policy of eliminating railway grade crossings wherever possible, the highway commission has put under construction an overhead crossing of the Southern Pacific track at a point on the Pacific highway about one mile south of the city of Ashland. This is the fifth railway grade separation in Jackson county.

The structure built for this purpose consists of three concrete spans of thirty-five feet each and 340 feet of wood trestle approach. D. M. Stevenson of Portland was awarded

contract No. 261 for its construction on April 27, 1920. The work is practically complete at the time of this report and will cost approximately \$36,000. Of this amount the county will pay \$7200, the Southern Pacific company \$14,400 and the state the balance of \$14,400. Expenditures to date amount to \$27,635 from state funds, having been made under the direction of A. A. Clausen, resident engineer.

Contract No. 267, for construction of the approaches, was awarded to C. H. Natwick, of Ashland, Ore., on June 1, 1920. Material used in the fills consisted of decomposed granite obtained from properties adjoining the approaches on each end. In order to obtain this material, these properties were bought by the county. The fills were made with teams and brought up in layers in order to compact the materials as much as possible preparatory to paving at an early date. Construction has been carried on under the direction of F. H. Walker, resident engineer, and represents a total estimated cost of \$12,000 for the 0.2 miles involved. This total cost will be divided \$4,800 to the state, \$2400 to the county and \$4800 to the railroad company. Expenditures to date amount to \$9,417.62, which have all been paid from state funds.

Neil Creek Bridges
 Neil creek is crossed three times by the Pacific highway within one and one-half miles just south of Ashland. The bridges used are standard concrete structures, having spans of 20, 21 and 28 feet. Frank Jordan of Ashland was awarded Contract No. 190 for their construction on August 5, 1919. His work was complete on June 1, 1920, at a cost of \$12,108.99 from state funds, under the direction of F. H. Walker, resident engineer.

Distribution of State Bonus To Veterans of World War

EDITOR'S NOTE The Tidings is in receipt of complete data relative to the Oregon bonus act from the World War Veterans State Aid commission. Owing to the lengthy nature of the articles they must by necessity be run in installments which will be found every day in the Tidings until a complete explanation is made.

(Continued from last Saturday)

42. Immediately upon receipt by the commission of an application for a loan the secretary shall forward to the board of appraisers blank forms "Report of Appraisal," containing a description of the property offered as security and suitable blank spaces for the appraisers' report. The appraisers will then proceed without unnecessary delay to view the property, and will report their findings to the commission.
 43. Upon receipt of the report of appraisal, the application and appraisers' reports will be referred to the commission, who will consider same and tentatively approve or reject the application.
 44. Should the application receive the tentative approval of the commission, the applicant will be so notified and directed to obtain at his own expense an abstract of title or certificate of title insurance, and present same to the attorney. At the same time, the secretary shall forward to the attorney a blank form, "Report of Attorney on Title," which shall contain a description of the property offered as security. The attorney shall then proceed to examine the abstract or certificate of title insurance and will report his findings to the commission.

45. In considering title, liens in favor of municipalities or other political subdivisions of the state must be removed to the extent due or delinquent.
 46. Abstract furnished must be prepared by a responsible abstractor, or if title insurance certificate be furnished, it must be furnished by a company legally competent to insure titles under the laws of the state of Oregon.
 47. Should the attorney's report show satisfactory title, the secretary shall prepare a claim in favor of the applicant and send same to the attorney for completion. The attorney shall then cause the applicant to execute the required note (affixing necessary revenue stamp), mortgage and insurance policy, shall ascer-

tain that no liens or transfers affecting the title of the property have taken place pending the accomplishment of the loan, shall cause the applicant to record all necessary instruments and have same included in the abstract or certificate of title insurance at the expense of the applicant, shall then cause the applicant to execute the claim, and shall forward the claim, abstract, mortgage, note, insurance policy and all other instruments involved to the commission.
Payment of Claims
 48. All claims shall be approved by the commission before payment is authorized, and the fact of such approval shall be recorded in the minutes. The secretary is authorized and directed to certify the fact of such approval on all claims. After approval the claims shall be forwarded to the secretary of state for the issuance of warrants.

Class Reunion Wagner School Held Sunday

The fifty annual reunion picnic of Prof. W. J. Dean's class of the Wegner creek school, the class of the years 1882, '84 and '85, was

"You may be Sure" says the Good Judge

That you are getting full value for your money when you use this class of tobacco.
 The good, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often—nor do you need so big a chew as you did with the ordinary kind.
 Any man who has used the Real Tobacco Chew will tell you that.
 Put up in two styles
W-B CUT is a long fine-cut tobacco.
RIGHT CUT is a short-cut tobacco

held in Lithia park Sunday. Eight members of the class with their families, about forty persons in all, were present to partake of the feast provided. Those of the class answering the roll call were Lilly Lynch Davis, secretary and leader of the class; Nora Webster Hanson, Lovia Webster Abbott, Gusta Schneider Bostwick, Hattie Garvin Bruin, Trest Abbott Lowe, Allan Abbott and Welborn Beeson. In looking over the roster of the class of about forty, it was found that four of the girls and one of the boys, together with their beloved teacher, W. J. Dean, have passed on, and of the others, however far they have scattered, here is their home.
 It was decided to call the class Dean Chapter No. 1 of the Pioneer Schools Alumni, and to meet again in the park on the first Sunday in August, 1922.

C. E. CONVENTION S. ORE. OPENS AT MEDFORD SEPT 10

By MRS. C. F. KOEHLER
 Christian Endeavorers of Southern Oregon will open their two day, September 10 and 11, convention at Medford at 9:30 o'clock Saturday morning.
 Miss Ott, city Y. M. C. A. secretary, will conduct the devotional services at each session. Miss Ott has just returned from Seabeck summer conference and will be able to give the young people real inspiration.
 What would a Christian Endeavor convention be without Paul Brown? Paul Brown will be in Medford Saturday morning ready to give us the great things of the International convention in New York. He will speak Saturday afternoon on new program, "Th Four Square Christian." That Saturday night banquet! You can't miss it. Medfordites are assembling all the makings of a real feast. Then comes something surprising—Guess what? Mary Spencer or Ruth York or Liberta Gore or someone knows but you don't—you'll have to come and see.
 Register now, shine your shoes and let's go.
 Program for the Southern Oregon Christian Endeavor Union's fall

WOMEN GIVE OUT

Housework is hard enough when healthy. Every Ashland woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Ashland woman's experience:
 Mrs. Jennie Hammond, 649 E. Main St., says: "I have used Doan's Kidney Pills with benefit and am glad to endorse them. My kidneys troubled me for some time and I had severe backaches that made it hard for me to keep going. I was hardly ever free from dizziness and headaches and the action of my kidneys was irregular. I used Doan's Kidney Pills and they helped me more than any other remedy I have ever tried. It was not long before I was free from the backaches and other signs of kidney complaint."
 Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hammond had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

WARNING!

The party is known who took the 8-day clock from the Dixie Flyer in my garage Thursday night, and will save trouble if it is returned at once.

ROBISON'S GARAGE
