FREEDOM OF ARBUCKLE ON BAIL PROSPECT

ASHLAND'S DAY AT GRANTS PASS FAIR THURSDAY

TWENTY-TWO CARS SIGNED UP FOR TRIP—PROSPECTIVE DELEGATES AND CAR OWNERS SHOULD CALL CHAMBER OF COMMERCE.

Tomorrow will be "Ashland Day" at the Josephine county fair being held at Grants Pass this week, according to plans made at the Chamber of Commerce forum luncheon yesterday at the Hotel Ashland, and completed today. Twenty-two auto owners up to noon today had signified their willingness to place their cars at the disposal of the committee appointed yesterday for the purpose of transporting the Ashland delegation to Grants Pass. Members of the committee in charge of arrangements are V. O. N. Smith, chairman, L. F. Ferguson and H. T. Elmore.

An automobile parade displaying prominent Ashland banners will form at the Plaza at 9 o'clock tomorrow morning. Arrangements are being made for an entertainment committee as part of the delegation. The committee is anxious that Ashland residents turn out in force for the Grants Pass trip, regardless of whether or not they are members of the Chamber of Commerce. All parties willing to furnish a car should inform the Chamber of Commerce of the fact. Efforts will be made to furnish transportation for prospective delegates if they will telephone or call at the Chamber of Commerce. No charges of any kind will be made for the trip.

Because of the fact that Grants Pass has in the past sent large delegations to Ashland during celebrations held here, local business men are heartily in sympathy with the project and are making every effort to put the affair over in a big way. It was originally planned to attend the fair Friday of this week, but it was changed to Thursday because Grants Pass fair authorities had previously named Friday as Medford day without the knowledge of the local committee.

The following car owners have agreed to furnish one car each for the delegation tomorrow:

V. O. N. Smith, H. T. Elmore, J. C. Ferguson, J. W. McCoy, C. B. Lamkin, D. Perozzi, J. H. McGee, E. J. Raine, A. N. Beaver, Thos. H. Simpson, E. T. Staples, H. G. Enders, Jr., J. H. Fuller, T. J. Coffman, E. J. Kaiser, L. J. Orres, C. J. Pierce, Mrs. F. Hanna, H. P. Holmes, J. H. Wheeler, Susie Allen, V. V. Mills.

SCHOOLS REOPENING

With the reopening of the schools comes renewal of public interest in the work that is being done by the schools.

Constructive interest of citizens and taxpayers and patrons of the schools is to be welcomed. The public interest in schools which takes practical form is useful to the schools and promotive of their progress.

Schools here begun the year with good prospects for successful work. Teachers and pupils are taking up the work with zest.

NINE KILLED EXPLOSION REFINING COMPANY STILL, PHILADELPHIA

Austrian Soldiers Balk at Fighting Hungary Troops

BERLIN, Sept. 14.—An Austrian battalion stationed at Bruck, Austria, mutined today after refusing to march against Hungarian troops sent to occupy a strip of land ceded to Hungary by the peace treaty, according to a Vienna dispatch. A member of the soldiers' committee sent to confer with the battalion's officers, knocked down the captain during the discussion.

Application Blanks For Soldiers Bonus Are Received Here

It will be interesting to all ex-service men to know that the application blanks for soldiers' state bonus have been received by the adjutant of the local post of the American Legion and are ready for distribution. It is urged by the World War Veterans' State Aid commission that these blanks be filled out under the supervision of a committee from the American Legion, or at least have some member of such committee review the application before sending it in. With this end in view, a committee has been appointed and will be in session at the army Thursday evening of this week where any one desiring may come for applications and for advice and assistance in filling them out.

The question of deciding between the loan and the cash bonus is one that requires considerable thought by each individual person, and should not be decided by a snap judgment. Those who have intentions of applying for the loan should give the matter careful consideration, and the same applies to those contemplating the cash bonus, as circumstances governing these two features may make a material difference in the final decision.

JESS INGRAM AND JACK BURNS TO CLASH BOXING BOUT, MEDFORD

Two days more and the big boxing show.

Jess Ingram, the boy that gave Red Campbell and George Eagles all the fighting they wanted, is working hard every night at the Nat in Medford, for his go with Jack Burns of Grants Pass. Ingram took on Billy Huff for three rounds, Tom Sharkey for three rounds, and Joe Blackburn for two rounds, and if he fights like he works out, the fans will sure see lots of action when these two boys meet.

Billy Huff says there will be nothing to it when he meets Kid Clark of Central Point. Clark has boxed in Medford before, and the fans are all for him. This bout alone should be a main event.

The ten round main event between Battling Frick of Medford and Kid Sargent of Ashland is the talk of the town. Sargent gave Chet Brown all the milling he wanted last winter, and the sport fans look to see him in action again.

Ashland will turn out strong to see their idol, but Medford fans have a different view of it. Frick is a good strong boy, and a hard hitter.

The fans that buy their tickets can be sure that they will see the main event in action, for both boys have posted a forfeit of \$50 for their appearance.

Joe Blackburn and Kid Williams will battle four rounds in the curtain raiser.

Friday night, September 16, at the Nat, Medford.

Reserve your seats for this event at the United Cigar Store. General admission, \$1; reserved seats, \$1.50; ring side, \$2, plus war tax.

MINERS RENEW WAR, INDIANA COAL FIELDS

CONTINUANCE OF SUMMER NORMAL URGE OF BRISCOE

Owing to the late closing hour of the Chamber of Commerce luncheon held yesterday at the Hotel Ashland, the Tidings was unable to publish in Tuesday's issue, the full report on the summer normal school made by G. A. Briscoe, superintendent of the city school.

The report follows: By G. A. BRISCOE In all there were enrolled in the normal school 81 different students. Thirty-seven of these were from Jackson county; of these 20 were from Ashland, 3 from Medford, and 14 from other points in Jackson county. Ten came from Douglas county, 13 from Klamath county, 11 from Josephine county, 1 from Multnomah, 1 from Vancouver, 1 from Lane, 1 from Curry, 2 from Wheeler county, 2 from Superior, Wisconsin, 1 from St. Paul, Minn., 1 from Berkeley, Calif.

To analyze these figures in another way, we get the following results: Entire enrollment, \$1; from Ashland, 20, leaving 61 who came from other communities. Some of them of course came from Talent and Medford.

Part of these people did not live in Ashland, but made the trip to and from Ashland each day. Being liberal toward these daily journeys, there would be in the end at least fifty people who made their homes in Ashland.

Board and room averaged them at least \$36 per month, which gives a total of \$2700 for board and room. This was money that had to stay in Ashland, possibly not with the people supporting the Chamber of Commerce, but in the end a large part of this money finds its way back to those who directly support the Chamber of Commerce.

In addition to these necessary living expenses, I personally know of quite a number of students who purchased shoes, clothing, patronized

Haz Kik

It is usually the fellow who tries to "put the other fellow out of business" who goes broke, while the man who attends to his own business, asks fair prices, gives good service, keeps his mouth shut, and hustles, prospers. "Putting the other fellow out of business" is a game that can work both ways. All I want in this world is a chance to paddle along and do the best I can, always remembering that other people in business have babies to feed, educate and clothe, as well as I, and that there is room for all of us, or the Good Lord never would have allowed some of us to be here; it's so hard to take proper care of ourselves. Child Falls In Oil Well; Crowd To Dig 20 Feet

BIG SANDY, Mont., Sept. 14.—The entire population of Big Sandy is working frantically to rescue the two year old daughter of Nels Nielson, who fell into the hole where drillers were working on an oil well. The child is apparently unhurt, but stuck in a small opening, twenty feet down and is held prisoner face downward. Oil is expected to fill the hole any moment. It may be necessary to dig down the entire twenty feet before the child can be rescued.

MINE BOSS IS EJECTED BY 300 FIGHTING MINERS

TERRE HAUTE, Ind., Sept. 14.—Disorders among the miners in the Jacksonville coal fields broke out again today according to word received here. The fighting is a renewal of the disturbances which stirred the southwestern Indiana mine fields a few weeks ago and resulted today in the chasing of James Getherman, mine boss, from his home by 300 men. Reece Verne, a miner, was also ejected from his home.

INDIANAPOLIS, Ind., Sept. 14.—Twenty warrants for the arrest of ring leaders in the Jacksonville coal fields were issued today.

KLAMATH FALLS INVITES ASHLAND TO FORUM LUNCHEON

Members of the Ashland Chamber of Commerce have been invited to attend a Klamath Falls forum luncheon September 22 at the latter city. The luncheon is given for Medford business men as return entertainment following the visit of Klamath Falls members of the Chamber of Commerce at Medford shortly before their entertainment at an Ashland forum luncheon. The invitation was extended in a letter received today by J. H. Fuller, from the Klamath Falls Chamber of Commerce.

Plans for the proposed Scenic Circle highway to include Crater Lake, Lake O' Woods, Klamath Falls, Medford and Ashland, will be taken up at the meeting.

The luncheon will not conflict with a future entertainment expressly for Ashland, it was stated, when the local Chamber of Commerce may have their own speakers.

Ashland merchants have been invited to attend a meeting of the merchants' bureau of the Klamath Falls Chamber of Commerce to be held on the evening of September 21.

MAY ALTER THE CHARGE TO LESS SERIOUS CRIME

GRAND JURY HELD IN SESSION UNTIL DECISION IS MADE—IS INDICTED FOR MANSLAUGHTER—ALTERED CHARGE.

SAN FRANCISCO, Calif., Sept. 14.—The freedom of Roscoe (Fatty) Arbuckle on bail loomed up today following his indictment by the grand jury late last night on a charge of manslaughter. Despite the fact that he is still charged with murder and that District Attorney Brady has insisted he will go through with the charge, it is generally accepted here as a fact that the fat comedian will face trial on a less serious charge, that of manslaughter, in connection with the death of Virginia Rappe, beautiful film actress of Los Angeles, who died here last week following a party alleged to have been given at Arbuckle's rooms at the St. Francis hotel.

The grand jury considered the case at length last night and voted to adjourn. When apprised of their contemplated adjournment, O'Conner, assistant district attorney, rushed before them and demanded action one way or another. The jury returned to their deliberations and voted for a manslaughter charge by a vote of thirteen to two. The maximum penalty that Arbuckle could pay if convicted on the charge would be ten years in prison. The indictment will be returned Thursday of this week. Then, it is believed, District Attorney Brady will be forced to consent to the dismissal of the murder charge.

SAN FRANCISCO, Calif., Sept. 14.—District Attorney Brady won a dramatic fight today to prevent two of his star witnesses in the prosecution of Roscoe Arbuckle from testifying at the coroner's inquest over the death of Miss Virginia Rappe. Following his strong plea, the jury after fifteen minutes' deliberation, ruled that Alice Blake and Zeel Provost need not testify. Brady contended that their evidence would show the state's hand unnecessarily. The girls are said to have given damaging testimony against "Fatty" last night before the grand jury which indicted the film comedian on a charge of manslaughter. Arbuckle appeared to be more nervous today than at any time during the previous appearances at the inquest.

PARIS, Sept. 14.—Six soldiers of the American army of occupation in Germany were killed today when a military lorry was struck by an express train, a press dispatch states.

RANCHER BOUND OVER ON CHARGE SETTING FIRES

JACKSONVILLE, Or., Sept. 14.—William Owings, who is an Evans creek rancher and cattleman, at his preliminary hearing in Justice Taylor's court Tuesday afternoon was bound over to the grand jury on the charge of starting a fire recently in the Rogue River section in some woods, brush and grass on lands not his own, without the consent of the owner. Owings was released on his own recognizance.
