AN ASHLAND CITIZEN COMES TO THE FRONT Tells His Friends and Neighbors of His Experience Every Ashland resident should read what a neighbor says. His testimony can be relied upon. These are his own words: E. Carlon, 159 Helman St., Ashland, says: "I can recommend Doan's Kidney Pills from experience. I have used them for attacks of kidney trouble. My back was weak and lame and I could hardly stoop over or lift anything. I felt dull and run down and the action of my kidneys was irregular. I used Doan's Kidney Pills as directed and they soon fixed me up in good shape. The aches and pains left and I felt better in every way." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Carlon had. Posters-Milburn Co., Mfrs., Buffalo, N. Y.

NATIVE BORN OF WHITE RACE ON INCREASE IN OREGON (Continued from Page 1)

School Attendance Is High The percentage of children attending schools was higher in the cities than in the country districts, the percentage for children in the urban population 7 to 13 years of age being 96.1, while in the rural population it was 93.7. "Urban," according to the census definition, includes all towns or cities and other incorporated places of 2,500 population or more. There are 9,317 illiterate persons 10 years of age and over in the state, "illiterate" meaning unable to write in any language. Of this number 1,529 are native whites of native parentage, 461 are of foreign or mixed parentage, 5,172 are of foreign birth, 847 are Indians, 782 are Chinese, 409 are Japanese and 89 are negroes. In the total population 10 years and over the percentage of illiteracy is 1.5, which shows a slight diminution since 1910, when it was 1.9. In the case of the native white or native parentage it is .4, the same as it was in 1910. By counties the percentage of illiteracy ranges from 3.7 in Jefferson county to .3 in Gilliam county.

Tyre Kik

Have you a set of tires on your car that have run and ran and run, and every time you start to make a little drive you get out and look 'em over and guess which one of 'em will blow out first, and every time you think of 'em you kinda feel like—oh, well, kinda like you didn't care much whether you went or not? All right—then is just the time to drive down to Leedom's Tire Hospital and trade 'em in on a new set of Masons and Leedom will allow you all they are worth. Yes, sir, Mason builds some tire—you'll say so, too, when you look 'em over.
