Surest thing you know!

THEY DO IT!

We spent years experimenting with different blends of tobaccos to obtain

—a new flavor

—a more pleasing aroma

—and to obtain what is more important still—the one thing that smokers have always wished a cigarette would do—

"SATISFY!"

And Chesterfields do "satisfy." For in Chesterfields the tobaccos—Turkish, and Burley and other choice home-grown varieties—are blended differently—and better—to give you and all smokers that greater measure of cigarette enjoyment.

They Satisfy
—and the blend can't be copied.

Did you ever try to save a minute by not stopping to read a guide post on a strange road, and then spend hours finding your way back to your original route?

Exasperating?

Yes, but that's nothing to what it will be if you try to "save" a few dollars by driving without Travelers' Automobile Insurance—and then have an accident.

Every dollar you "saved" by failing to insure may cost you a hundred when it comes to settling the damage claims.

A BETTER CHANCE

YOU may be of the "never worry" variety, and see no necessity to save. But one thing sure—the man without capital stands a mighty poor show these days.

And for the average man there is no better way to accumulate capital than through a savings account, and sane investment.

Therefore, to give yourself a better chance, open an account at the First National.
