The council ordered Chief of Police Timothy to purchase a number of bucksaws and bucks, to be used in making this campaign to enforce the floaters to accept work locally or get out of town. Until arrangements can be made for the establishment of a municipal woodpile, the chief was ordered to put all such loiterers at work on the public

One and One-half Hours' Entertainment, Presenting the Entire Fifteen Characters Herself, on the Evening of OCTOBER 28 METHODIST CHURCH

Dr. Mattie B. Shaw needs no introduction to Ashland, as her ability along dramatic lines was a source of great pleasure to her hearers during her former residence here, since which time she has finished a course of instruction from Emma Wilson Gillespie, of the Gillespie School of Expression, of Portland, and these are some of the things they say of her:

She is an artist whom it is equally a pleasure and education to hear. Her voice possesses a rare sympathetic quality which takes a thorough grip on her hearers.

"Her personality is unique. Her phrasing of difficult passages remarkable and rich.' She possesses all the qualifications that go to make a pleasing

entertainment, making her character walk and talk before you, with a distinctive personality." "To hear her in the delineation of character is an event that is ever gratefully treasured in one's memory.

Some dealers don't mark the selling price on their goods, just leave it off so they can raise the price if a customer wants to trade in an old stove or something.
