man is very glad that Adam's rib underwent that transformation.

## D. A. R. Dedicates Marker to Pioneer **Builders of Read**

(Continued From Yesterday.)

Mrs. Bert Anderson and Mrs. Gordon MacCracken then removed the huge American flag covering the monument, which presented a striking appearance, surrounded by beautiful flowers and children, grandchildren and friends of the sturdy pioneers. The monument is of Jackson county granite and on it is a handsome bronze tablet with this inscription:

"Erected 1921 by the Crater Lake and Mount Ashland Chapters of the Daughters of the American Revolution in honor of the following pioneers who, in the year 1846, blazed the first trail through the wilder-

> Mrs. John A. Keating, of Portexpressing appreciation of the state for the splendid memorial.

Some Historical Events This interesting data was secured from people attending the unveiling exercises

The historic Culver house, which stands just below Phoenix and is so well kept by Loyd Culver and wife, was built by his grandfather, Sam Culver, and John Davenport in 1855. and was a hotel and store. Many notable pioneers and weary travelwas a block house built of big timbers, dovetailed and fastened with After all is said and done, mere wooden pins. It had portholes to be used in case of attack. The building was weatherboarded and otherwise fixed up many years ago.

Two of the oldest pioneers in the county who attended the unveiling Friday were Mrs. Mary A. Dunn and

continuous stream of power

From the first turn of the motor until the end of the trip, Red Crown gasoline delivers steady, dependable power.

Every gallon of "RedCrown" which goes, into your tank insures ready starting, smooth and rapid acceleration and more mileage-a continuous stream of power. That explains the popularity of "Red Crown"-why it is the choice of motorists who know what good gasoline should do.

It pays to look for the Red Crown sign before you fill. You will find that sign at Standard Oil Service Stations, garages, and at other dealers.
