The high-power long-life battery

Luthy patented insulation assures higher voltage & never wears out

A fact! A Luthy battery should start and light your car with a powerful current for at least two years without frequent trips to a battery station for recharging or repairs.

Luthy separators of patented "Luthite" are acid-resisting; they cannot rot like wood or rubber-compound separators and cause short circuits. Thus 80 per cent of all battery troubles are overcome.

Nearly 1,700 hooded perforations in each Luthy separator allow free paths for the solution and current, thus keeping the battery cool and assuring a quicker charge and a more powerful discharge through the entire life of the battery.

Because of their merits, Luthy batteries are guaranteed in writing—"Two years service or a new battery without cost." There is a "Luthy" for each type of car.

We repair and give service on all makes of batteries.

You remember the story of the Pitcher—

It made a good many trips to the well and it came back in good order.

"I can take care of myself," it said—"they don't need to talk about risks to me."

But it went once too often.

After that it was only part of a pitcher, and they didn't need to talk to it about risks—it knew.

A lot of people won't believe coffee can harm them until it does harm them.

"Nonsense!" they say, "it never disturbs me."

When it does disturb them, then they know.

Often the disturbance which they then recognize is the result of irritations to nerves and digestion which have been going on for a long time.

If you have to lie awake at night and count the clock ticks, after an evening cup of coffee, then you know that it's better to be safe than sorry.

The risk of coffee's harm is gone when the meal-time drink is Postum.

Here's a delightful and satisfying table beverage, with charm for the taste and without harm for nerves or digestion. You know you're on the right road with Postum; there's never the possibility that you'll go once too often.

Postum comes in two forms: Instant Postum (in tins) made instantly in the cup by the addition of boiling water. Postum Cereal (in packages of larger bulk, for those who prefer to make the drink while the meal is being prepared) made by boiling for 20 minutes.

"There's a Reason" for Postum

Made by Postum Cereal Company, Inc., Battle Creek, Mich.

By Jiminy it's so!

Prove it to yourself—that Chesterfields do deliver a new kind of cigarette enjoyment

—something besides a delicious new taste

—something besides a more pleasing aroma

—something you never did experience in any other cigarette

—an enjoyment so entirely complete that only ONE word describes it—

"SATISFY."

Yes, sir, Chesterfields "satisfy" as no other cigarette ever has.

It's in the blend—Turkish, Burley and other top-grade home-grown tobaccos blended as never before.

A great blend! And it can't be copied.

They Satisfy—and the blend can't be copied

INSURE

YOUR INSURANCE

The simplest way to create an estate and assure your family financial independence is a Travelers' Guaranteed Low-Cost Life Insurance Policy.

But it is not enough merely to insure.

Let us issue the policy so that it will pay your wife an income of \$100 or \$200 a month as long as she lives, instead of a lump sum for her to invest.

This makes sure that your life insurance will always provide her a living—and will not go to some ill stock promoter or advising friend who may unwisely invest the money for her.
