was not a single soul present-not

I then thought I could at least get into Methodist churches and before Methodist audiences, as I had been a Methodist all my life, not a very good one, to be sure, but a member just the same. So I went to Gresham, Ore., and asked for the privilege of speaking the following Sunday on Universal Peace. The pastor flatly refused and gave me piece of his mind as to what he thought of any fellow in "these en lightened days" running around the country talking about disarming na-
