The SANDMAN STORY

TOMMY KIT'S DREAM.

MRS. TABBY felt highly insulted one morning when she went into the barn and found five traps placed near holes where the mice lived. "The very idea," said Mrs. Tabby to her four kittens, "just as if I could not attend to this without these traps around."

Kit. "I'll run right off to mother and show her what a smart son she has."

"CLICK!" Tommy Kit opened his eyes and there in the trap was a mouse, and at the sound his brothers and mother turned and looked.

"But I did catch two," said Tommy Kit, not quite sure he had dreamed it. "I had one in each paw when the trap clicked. I could not catch three, mother, now could I, for I have only two front paws?"

"Two mice at the same time!" exclaimed his mother. Tommy Kit was now wide awake. "I-I-I guess I dreamed it," he said. "I dreamed I caught two mice, one in each paw, and I was just going to show them to you when the trap clicked."

long time at the hole he was to watch he grew sleepy and, curling up on the floor, soon was fast asleep.

Tommy Kit had the mouse on his mind, though, and so he dreamed about mice, and in his dream he thought two fat mice ran out of the hole he was set to watch. Up jumped Tommy Kit and pounced upon them, catching a mouse in each paw.

"I guess none of the others will be as smart as I am," dreamed Tommy

Mrs. Tabby quickly boxed her son on the ear. "You fell asleep, did you?" she said. "Now you sit here and catch two mice before you get a drop of milk."

Off trotted Mrs. Tabby with her other children, while Tommy sat sadly watching the hole. Out ran three mice and Tommy ran after them. He caught one and then seeing the other hiding behind a barrel he quickly went after that, while a third was so frightened he ran right into the trap.

"I could not help it mother," exclaimed Tommy Kit, as he proudly displayed the mice.

"That is all traps are good for," said Mrs. Tabby. "To catch the third mouse while you are chasing two, and now you children must catch two mice and drive the third into a trap. We will soon clear this place and be rid of these insulting traps as well."

But it was not long before all the kittens were sprawled out in the sun fast asleep, for they had cleared the mice from the barn; but Tommy, if he had any more dreams, did not tell them to his mother.

UNCONTROLLED IDEAS Professor: Gentlemen, in your research you must begin your investigations with open minds. Pinfeather, '23: But, professor, if I leave my mind wide open everything will escape.

HARDLY FLATTERING She—I appreciate the compliment, but I'm afraid I could never make you happy. He—Oh, yes, you could. You don't know how easily pleased I am.
