# INVEST!

Help Ashland secure a valuable industry, and at the same time, a safe and profitable investment for yourself, by investing in the stock of the MORA PUMP CO.

All the money derived from the sale of this stock will be spent in Ashland in the purchase of the Ashland Iron Works and carrying on the manufacture of pumps.

The MORA pump has already been financed far beyond the experimental stage and has been proven by scientific and practical tests to be by far the most efficient pump now on the market

The Company has orders for pumps on hand and in order to take care of its business, requires additional capital.

All stock is being sold at the par value of \$100 per share, and no commission is being paid to anyone to sell the stock.

# Keep the Home the Center of the Affections

It would be well for all of us to take an inventory of our own homes and see what we can do to make them better places to live in-better places for our children to grow up in.

CHRISTMAS is the time to start. Nothing gives the environment of the home greater comfort and charm than good Furniture. Hidden forces at work in the world today are attempting to estrange us from our homes.

Don't be misled. You can buy good, well-designed Furniture that will last a lifetime without spending much money.

The offerings included in our Christmas Goods are wonderful examples of how far you can make a dollar go toward improving your home.

Our offerings include furniture from America's Largest Furniture Makers. They have shown the world what it means to build good Furniture at a moderate price.

Give Furniture this Christmas. Make your selections early while the assortment is wide.
