The mind in its own place,  
 and in itself,  
 Can make a heaven of hell,  
 a hell of heaven.—Milton.

There should be no turning of  
 microscopes on the real or alleged  
 defects of the Pacific treaties, formu-  
 lated by the arms conference. These  
 agreements give the world fair  
 promise of lasting and just peace.  
 This promise should not be nipped  
 in the bud by ill-grounded antago-  
 nism.

The United States welcomes the  
 decent and orderly foreigner. But  
 the gates of its immigrant stations  
 should be barred against the anar-  
 chist, the advocate of violence, and  
 the vicious.

Uncle Sam went into the arms  
 conference honorably and with lofty  
 purposes; he is coming out of it  
 with honors and with lofty and  
 proud achievements.

The peace of the world should not  
 be endangered for the next ten  
 years by the captiousness of a few  
 senators.

**Klamath Girls Favor Uniforms**

By an overwhelming majority the  
 girls of the Klamath county high  
 school voted to adopt a uniform  
 dress, not to wear lace or network  
 stockings, to adopt a moderate form  
 of hair dress and to forgo lipsticks  
 and rouge. The girls' vote was as  
 follows: Uniform dress, yes 91, no  
 30; high heels, yes 7, no 115; lace  
 and network stockings, yes 34, no  
 86; moderate hair dress, yes 85, no  
 37; rouge and lipsticks, yes 35, no  
 86.

**Judge Buys Business Block**—  
 County Judge G. A. Gardner has  
 purchased the two-story brick build-  
 ing on Main street, formerly occu-  
 pied by the Jacksonville bank. He  
 has not made public what use the  
 building will be put to, but since sev-  
 eral different parties have been try-  
 ing to rent it for business purposes,  
 it is safe to conclude that it will  
 stand idle long after it receives some  
 needed repairs. Who knows but  
 what another bank might soon oc-  
 cupy it—since there is now a good  
 vault in it, and a move is on foot to  
 establish another bank here—Jack-

**CALUMET BAKING POWDER  
 SAVES THREE  
 WAYS**

—A moderate priced  
 Baking Powder of great-  
 est merit. Honestly made.  
 Honestly sold. Economical  
 in every way. Every  
 particle is full of actual leaven-  
 ing value. A full money's  
 worth.

—You save time when  
 you use it. Calumet is all bak-  
 ing powder. It begins to raise  
 bakings the instant they are put  
 into the oven. You don't have to  
 keep "peeping" to see if bakings  
 are all right. You know they are.  
 Calumet is *sure*—never fails.  
 That's economy. And true econ-  
 omy—in cost—in use—in time.

One trial will prove it and *show*  
 you in results why millions of  
 shrewd, thrifty housewives pre-  
 fer Calumet to all other brands.

—The unflinching strength of Calu-  
 met guarantees perfect results.  
 Not only saves flour—sugar—  
 eggs, etc.—but saves Baking  
 Powder. You use only a tea-  
 spoonful—you use two teaspoonfuls or  
 more of many other brands.

Calumet contains only such ingredients as  
 have been approved officially by the U. S.  
 Food Authorities.

**The Forward Look**

Why do some people always have  
 money ahead for vacations, gifts,  
 dues, and other recurring expenses,  
 while others must, at much incon-  
 venience, take from their regular  
 salary?

The "forward look" explains it.  
 One class anticipates their needs,  
 the other sees only present needs.

The "forward look" and First Na-  
 tional Savings or Commercial Ac-  
 counts work well together.
