Appropriate Christmas Gifts

Are offered by all of our local merchants, and we commend their stocks to you for selection. Here at the bank we also have one Christmas suggestion to make. It's the gift of a savings account—appropriate for everyone, but especially to be considered among the gifts for the kiddies. Such a gift will prove a great encouragement for the development of habits of thrift, and success.

They will handle both Rock Springs and Utah coal, but will specialize and push their King and Royal coal because of the heat value contained in these coals. 94-1
