### Burned to Junk

-Many accidents suddenly turn the fire that propels automobiles and trucks into a raging force that destroys them. The building in which your automobile is kept is always liable to burn, and your car with it. Can you stand the loss of \$2000, \$1500, \$1000, or even \$500, without feeling the

-The only safe way is to protect your car from loss by fire with a good insurance policy. You can also buy protection from loss by theft, collision, and your liability for damage to another's property or for injury to other persons. -If your car is worth having, it is worth insuring. Do it today. It's better to play safe than be forever sorry.
