Junior Basketball

The first games of the Y. M. C. A. Junior basketball league was played Saturday afternoon at the high school gymnasium. The first game was taken by the Presbyterians from the Baptists, 18 to 8, while the Methodists just got one the better of the Christians, and quit with a score of 17 to 16. The first half of the second game, however, was decidedly in favor of the Christians, but the Methodists seemed to get the "go" on the game in the second half after they had a chance to breathe a bit.

Bible Lectures Popular

Sunday morning and again Sunday evening, Rev. Josephine Champe spoke at the Christian church to a capacity house, delivering her third and fourth Bible lectures of a series of 12 that she has outlined. The intent of this series, according to Mrs. Champe, is a study of the unity and continuity of the writings of the sacred word, and judging by the interest manifest it is a worthwhile study. This evening, the subject is, "Jesus, the Promised Redeemer, the expected Messiah?" "If there are moments when you are inclined to feel that perhaps, after all, these things are a mistake," says Mrs. Champe. "This is exactly the sermon you need to hear. It will give you something substantial to tie to."

HAS RAISED A NEW STANDARD FOR BAKING POWDER

Because it's made in the most careful and scientific manner from absolutely pure materials that remain pure in the baking and insure wholesome, healthful food.

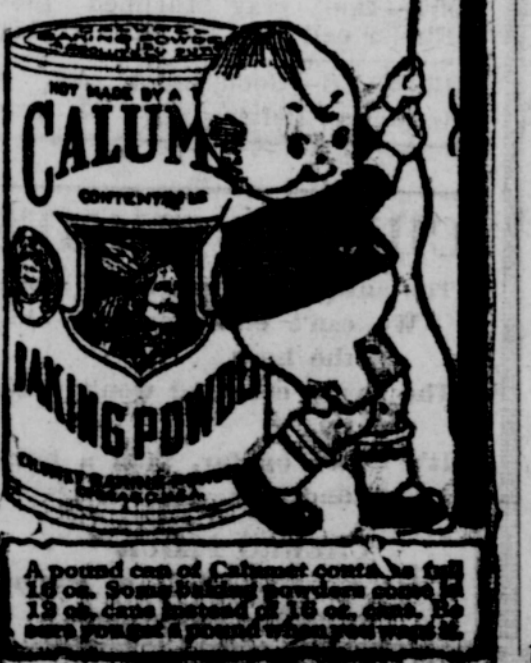

Because it possesses the greatest leavening power.

Because it is not affected by time or weather—it never loses its strength and never fails.

Because it is more economical—you save when you buy it and you save when you use it.

These are a few of the reasons why Calumet is the standard baking powder—the choice of millions—more being sold than of any other brand.

Try it—always buy it. Your grocer can supply you.

LYRICS OF LIFE

By DOUGLAS MALLOCH

THE VERY WISE.

WE ARE the wise, the very wise Who have no need of God; We understand His seas, His skies, His sunset and His sod, There is no magic in a rose, Its petals pulled apart, For we explain just how it grows With scientific art. And yet no man I ever knew Could tell me how the first one grew.

We are the wise, the very wise— All things we understand; It is no trick to analyze And give them breed and brand. We know the distances of night From Pleiades to Mars, And we can measure all the light Of all the shining stars. And yet, I wonder, could we place, A single star in all of space?

We are the wise, the very wise, No need of God have we. We know man lives, we know man dies— The rest is mystery. And, since we cannot comprehend, No more may hope to know, We say that death must be the end And nothing more is so. It seems to me, mere man's, Our knowledge ends where God's begins.

(Widow), 324 East Fiftieth Street, New York, N. Y.

Bronze medal to the widow and death benefits to her at the rate of \$70 a month, with \$5 a month additional on account of her daughter—Denenkamp, aged 29, waiter, died attempting to save Marie L. Carlton and Ruth Doboia, both aged 15, from drowning, Deal Beach, N. J., August 22, 1919. While wading in the Atlantic ocean, Miss Carton and Miss Doboia were carried by a wave into deep water 30 feet from shore. They struggled and bobbed up and down several times. Denenkamp waded a short distance from shore and plunged under the surface toward the girls. He rose within arm's length of Miss Carton, but was doubled up and motionless. The two girls were carried by their struggles and a wave to wadable water, where they got a foothold. Denenkamp was soon taken to shore, but could not be revived.
