BOY SCOUT WEEK

This week is Boy Scout week in commemoration of the birth of the organization 11 years ago. Every citizen should this week make an effort in some way to help the Boy Scouts by some word or act and it would be well to make it a weekly business to lend them help, instead of only once a year.

Bootleggers Have Secret Routes All Along Border.

FAKE LABELS ARE ATTACHED

Alcohol Shipped to Canada Is Doctored and Slipped Back Across Border by the Bootleggers-Sham Robberies Part of the Game-Dominion "Drug Concerns" Are Doing Thriving Business.

"From every province in Canada to every state bordering on the boundary line, bootleggers are working certain routes with all the secrecy of the Ku Klux Klan. Fake companies, called drug concerns,' are formed in Canada. As such they receive permits for the importation of alcoholic mixtures, but more frequently pure alcohol. Once that alcohol is on the Canadian side of the border the booze doctor adds extracts and ingredients to make finished articles. Then the doctored mixture is smuggled across the line by
