Popular Stand Changes Hands

The fruit and news stand which has been operated by Mrs. R. S. Jeters for the last several years at the corner of Fourth and A streets, just opposite the Southern Pacific depot, has been bought by Cecil Norton, who took possession this week. The stand will be run along the same lines as in the past and no change will be noted with the exception of the proprietor.

NAMES OF JUDGES OF ELECTION ANNOUNCED

The Chamber of Commerce has announced the names of F. E. Watson, Irving Finley and A. E. Kinney as judges in the forthcoming election of that organization. President Ender announces that all applications received before Monday evening, March 6, will be voted in at a meeting of the board that evening.

The Ford Tailoring company's line of samples are now on display. Prices for light weight, \$17; medium, \$31. No more, no less. Some real bargains. We do cleaning, pressing, repairing and dyeing as it ought to be done. Suits made to measure. K. Nelson, Hotel Ashland block. 154tf

NOTED MISSIONARY KILLED BY BANDITS

ST. LOUIS, March 4.—Dr. A. L. Shelton, noted medical missionary, was killed by Thibetan bandits near Batang, February 17, according to a cablegram that the United States Christian Missionary society received today. No details were given.

Disabled Soldier Gets Compensation

Disabled because of service in the world war, James Francis Butler, of Ashland, was today granted government compensation of \$23.75 a month by the United States veterans' bureau at its Seattle district office. He will receive \$178.69 back compensation pay.

Announcement was made by officials of the veterans' bureau that plans are being pushed for the establishment of a large hospital in the Pacific northwest to take care of mental cases. A measure now pending in congress will provide funds for this purpose. The hospital would at first house 250 mental cases and later 500 veterans, according to the plans.

Fifteen Million Face Starvation

SHANGHAI, China, March 4.—More than \$10,000,000 is needed to cope with the famine problem in Kiangsu, Anhui, Shantung, Hunan, Chekiang, Hupeh, Honan and Shensi provinces, where more than fifteen million people are facing starvation, according to the report of the International Relief societies of China made today.

The terrible famine in China was caused by drought, but this year millions have been rendered destitute by the Yellow river floods. Members of the relief societies in western Hunan reported, "If you cannot send relief, I cannot stay here and see so many dying. Famine fever is taking many. I hear rumors to the effect that cannibalism is being practiced. Many are killing their children by drowning or poisoning to prevent slow starvation."

Pool Room Closed Doors Friday Eve.

The Dobbin Irwin pool room, in the Elks' building on East Main street, closed its doors last night, not to open again in the present location.

Mr. Irwin will store his equipment for a few weeks until he can obtain possession of the building now occupied by James H. Cooke at 279 East Main street and used as a pool room. It is reported that possession will be given about the 25th of the present month.

The room being vacated by Mr. Irwin will be used, together with the adjoining room, for the Golden Rule store, which will open one of their chain stores here as soon as proper arrangements can be made.

ASHLAND TAKES GAME

(Continued from Page 1) standing 27 to 8, so when the second half opened Coach Hughes placed the entire second team in against Medford. For a time it appeared they would not be able to hold their own, but the second-string men lived up to expectations and made more points than the Medford quintet was able to annex. With four minutes to play

the second team was called off the floor, and the first team placed in the game again to warm up before the evening was over.

The local players made exceptionally few fouls, while Medford made a liberal number, practically all of which proved added points for the Ashland aggregation.

The final score was 45 to 18 in favor of the Ashland lads, whose playing was altogether satisfactory to the large crowd that turned out to root for them. A large delegation was also present from Medford to attend the game.

The line-up was as follows: Ashland—Herr, forward, Guthrie, forward, Ramsey, center, Young, guard; Weisenberger, guard.

Medford—Beeny, forward; Johnson, forward; Singler, center; Prescott, guard; Payne, guard.

Substitutes for Ashland—Beeson and Wentner, forwards; Chapman, center; Hobson and Taylor, guards.

The girls' game proved fast and interesting as first one side, then the other were in the lead, but a very few points separating the teams at any time. The half ended with the score 8 to 10 in favor of Medford, but the locals made a run and had the score in their favor at the end of the third quarter, 16 to 12. They were unable to hold their own during the last quarter of play, and the game finished with both teams playing hard and Medford ahead by one point, 21 to 20, although the ball was in Ashland's territory a greater part of the time.

CLIMB MOUNT ASHLAND

(Continued from Page 1)

ground is found at Humming Bird Spring, a mile or so beyond Sap and Salt.

Those who wish to see the sunrise from the summit of Mount Ashland should camp at Gribble's cabin, three miles up the trail from the end of the road.

A narrow trail leads from the road along the ridge to the summit, from which vantage point may be seen the mountain peaks for miles and many valleys both in Oregon and California. As you near the summit you may see outcroppings of granite, of which it is believed the entire mountain is composed, great snow banks and dwarfed trees, whose branches have been whipped off by the winds.

From the summit may be seen Mount Shasta, Mount Pitt, Pilot Rock, the Rogue river valley, the walls of Crater lake, part of the city of Ashland, the town of Hill, Calif., and, like a silver thread following the slopes of the Siskiyou, may be
