

Build With the Birds

You'll Never Build Cheaper

We'll Help You!

If you have money to build, or can get it, **BUILD NOW!**

That statement sums up the collected opinions of recognized authorities in every section of the United States.

Arrange your financing **FIRST**. With that done you can build **NOW**—"With the Birds"—absolutely secure in the assurance that you are acting with wisdom and sound judgment. For, building costs have hit bottom for 1922!

There is ample material. There is no scarcity of labor. Building will mark up a new record this year.

"Build With the Birds"—**LET'S GO!** We can help ourselves, help our entire community, by releasing as much of the necessary building as possible **RIGHT NOW**.

Do **YOUR** part. Get that new home started; that store structure; that garage; those alterations. Let's postpone no longer.

The advertisers whose announcements appear on this page are pledged to help you. Take advantage of their offers of service. "Build With the Birds". Start **NOW!**

The Beasts of the Field and the Birds of the Air are the original instructors in Home-owning.

The birds and the bears couldn't rear their families properly if they had to work for the landlord. Neither can you. And you need not do so. We'll show you how to own your own.

TRADE MARK INSPECTED

Abraham Lincoln said:

I like to see a man proud of the place in which he lives.

I like to see a man live so that his place will be proud of him.

Be honest, but hate no one; overturn a man's wrong doing, but do not overturn HIM unless it must be done to overturn the wrong.

Let Me Figure With You on Your Plans

Every bit of construction is done under my personal supervision; and having my own planning mill for built-in-features, they cost less than you could possibly get them otherwise. What I have done for others I can do for you. Ex-service men can depend on the closest co-operation and consideration, in the building of their homes.

Build With RITE - GRADE Inspected Red Cedar Shingles

USE Nature's own really time-tested covering on roof and side walls. Innumerable effects of the utmost distinction and beauty. These specially inspected shingles of Western Red Cedar are low both in first cost and upkeep. They are easy to lay, easy to alter or repair, weather beautifully with or without paint or stain, are warm in winter and cool in summer. Properly laid they last for decades.

Ask your local dealer or send us five cents in stamps for complete data on how to lay and our handsome booklet of national prize-winning all-shingle homes.

TAKE NOTICE!

If you are interested in Bargains, read every word of this ad. Our space is too limited to give very elaborate descriptions, but if you are interested, come to our office and we will give you all the particulars, and put our time against yours, besides furnishing the conveyance to see the properties.

Fifteen acres inside the city limits, good six room bungalow, barn and other out-buildings, plenty of fruit of all kinds, all good land, a real home proposition and a bargain at the price asked. Six cows and farm implements go in.

Three acres inside city limits, modern house, furniture and equipment go with it, plenty of fine fruit of all kinds. Ask us about this for we are bound to sell it soon.

We have several bunches of building lots, six in one bunch can be sold for \$500—twenty in another can be sold as low as \$100 and up, several other bunches low priced and some as high as a very desirable lot and location would command.

Five room house well located, modern conveniences, three lots, fruit, priced at \$2000, easy terms, some furniture goes with this deal.

Did somebody say Acreage? Well I guess. All kinds from one acre up inside and close to the city. Some special bargains.

Come in and see us. No trouble to show goods.
