AUTOMOBILE LIABILITY

As the owner of a motor car, all the hazards of the road are upon YOUR shoulders. Accidents do happen, and it makes no difference whether or not you are blameless, it costs money and time to defend the action. Then if in the opinion of the jury you are to blame, it costs money to settle the damages.

You can have protection covering your legal liability for damages (proven or not proven) arising from personal injuries to other people suffered or alleged to have suffered by the operation of your car; we also furnish you protection against liability for all accidents involving damages to another's property, and the expense of the settlement of such claims. The cost is small. Better be safe than sorry. When you want good insurance talk with
