WORN NERVES

Nervous troubles, with headache, dizzy spells, queer pains and irregular kidneys, give reason to suspect kidney weakness and to try the remedy that has helped your neighbors. Ask your neighbor. Mrs. Sarah Boots, 338 B. St., Ashland, says: "Doan's Kidney Pills have done me more good than any remedy I have ever used. I was in a bad condition with kidney and bladder trouble and become so weak and run down I could hardly walk a block. My back ached constantly and my kidneys acted too frequently. My limbs and feet were swollen and I had dizzy headaches and nervous spells. I used different remedies but didn't get any better until I tried Doan's Kidney Pills. They soon helped me and I felt like a different person." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Boots had. NOTICE TO EXTERMINATE GROUND SQUIRRELS

Every person, firm, co-partnership, company or corporation residing on, owning, leasing, occupying, possessing or having charge of or dominion over any land, building, wharf, or dock infested with digger ground squirrels in Jackson county, Oregon, is hereby notified to begin at once to effectively exterminate and destroy all such DIGGER GROUND SQUIRRELS.

The following poison for mixing and instructions for use thereof is the method most expedient and effective to be used for the extermination and destruction of such ground squirrels and is hereby recommended, to wit: Alkaloid strychnine used on either barley or wheat, barley preferred, mixed according to the following formula and manner, to-wit:

Barley, clean grain—16 quarts.
Strychnine (powdered alkaloid)—1 ounce.
Bicarbonate of soda (baking soda)—1 ounce.
Thin starch paste— $\frac{3}{4}$ pint.
Heavy corn syrup— $\frac{1}{4}$ pint.
Glycerine—1 tablespoonful.
Saccharine—1-10 ounce.
This material should be mixed as follows: Mix thoroughly 1 ounce of

powdered strychnine (alkaloid) and 1 ounce of common baking soda. Sift this into $\frac{3}{4}$ pint of thin hot paste and stir to a smooth creamy mass. (The starch paste is made by dissolving 1 heaping tablespoonful of dry gloss starch in a little cold water, which is then added to $\frac{3}{4}$ pint of boiling water. Boil and stir constantly until a clear thin paste is formed.) Add $\frac{3}{4}$ pint heavy corn syrup and 1 tablespoonful of glycerine and stir thoroughly. Pour this mixture over 16 quarts of clean barley and mix well so that each grain is coated.

One quart of the poisoned grain mixed as aforesaid is sufficient for 40 or 50 baits and this quantity scattered along squirrel trails or on clean hard places on the surface about the holes will not endanger stock. Strychnine in any form other than the powdered strychnine (alkaloid) is not effective in the above formula.

Early poisonings are known to be far more effective than late ones to destroy the digger squirrels, as they are just emerging from their hibernation. They are hungry and food is scarce.

The county court of Jackson county, Oregon, has secured a large amount of strychnine and the other ingredients necessary for the mixture, and a quantity thereof has been mixed and is now on sale to the farmers or persons interested at actual cost and may be had by applying to the following places:

- Farm Bureau Exchange, Medford.
- Oregon Growers, Medford.
- Ashland Fruit Association, Ashland.
- Phoenix Mercantile Co., Phoenix.
- Brown's Store, Talent.
- Wolter's Cash Store, Talent.
- Paxson Drug Co., Central Point.
- Bowers Drug Co., Gold Hill.
- Fred O'Kelley, Rogue River.
- Flick Store, Jacksonville.

Antle Store, Lake Creek.
Table Rock Store, Table Rock.
Pernoll Store, Applegate.
Stout Store, Brownsboro.
Wilhite Store, Sams Valley.
Brown Bros., Eagle Point.

If any person herein designated shall, within 30 days from the first publication of this notice, fail to begin in good faith to exterminate, eradicate and destroy, according to the method aforesaid, or by any other effective means, said ground squirrels herein designated, the county court of Jackson county, Oregon, will appoint a person or persons to proceed with the extermination and eradication of such ground squirrels, and the cost thereof incurred will be assessed to such land, building, wharf or dock, and unless paid will become a lien against the same, for the extermination of said ground squirrels.

This notice is published pursuant to the statute in such case made and provided, and for two consecutive weeks or three issues, and all persons described therein are required to take notice thereof.
Dated and first published this 25th day of April, 1922.
