CONCILIATORS CHARGED WITH POLITICAL BIAS

KLAMATH OPERATORS DECLARE FINDINGS OF BOARD NOT WARRANTED

Charge Breach of Faith, That Examinations Were Hasty and Unfair, Services Not Sought and Decision Unwarranted by Facts.

KLAMATH FALLS, May 6.—Klamath lumber and mill men in a statement issued here score the state board of conciliation for its action in finding in favor of the employes in the recent hearing here, charging that the report was based on a hasty examination, that intervention of the board by the lumbermen had not been asked and that therefore they did not feel obligated to accept the board's findings.

The statement also inferred that politics had entered into the board's action, pointing out that at the conclusion of the hearing Chairman Woodward in an address before the gathering had said he was a candidate for the state legislature, asking the support of his hearers.

It was stated the operators had been given to understand by both Woodward and Flynn that the findings would be based on a comparison of conditions prevailing in the Californian industry, but that this promise has not been kept. The lumbermen said that while not opposed to the eight-hour day in principle, they would not agree to its adoption until competitive California plants did likewise.

SURPRISE PARTY FRIDAY EVENING OF YOUNG PEOPLE

Mr. and Mrs. S. A. Peters Jr. were quite pleasantly surprised last evening at the home of Mrs. Peters' mother, Mrs. H. O. Butterfield, on Iowa street. The young people were just preparing to start for the high school building to attend the senior class play, when the surprise party arrived, laden with cakes and other good things to eat.

The occasion of the celebration was the fifth wedding anniversary of Mr. and Mrs. Peters. They were the recipients of a beautiful serving tray, together with several other ornamental and useful wooden articles.

The evening was spent in playing cards, the game of put and take being the most enjoyed and the principal game of the evening. Refreshments of ice cream and several kinds of cake, together with punch, were served. The guests were almost all old school friends of Mr. and Mrs. Peters, and an unusually fine time was enjoyed by all.

Those present were, Messrs. and Mesdames S. A. Peters Sr., R. L. Burdick, Milton Fraley, Edwin Dunn, Gerald Wenner, Alfred Moss, Cecil Norton, H. O. Butterfield, and Mrs. Merrill Butterfield, Mr. Arthur Peters and little Miss Helen Dunn and Master Bobbie Burdick.

LOCAL H. S. TEAM PLAYS FT. JONES TODAY

The Ashland high school baseball team left this morning for Fort Jones, Calif., where they will cross bats with the high school team there this afternoon. They left in the best of spirits after having defeated the fast Grants Pass team on the local grounds yesterday.

GREEN SPRINGS ROAD TO KLAMATH IS NOW OPEN

The Green Springs road is now open for travel, some machines having come over from Klamath Falls during the last few days. Howard's stage expects to start operations over that road on the tenth of the month, hereby shortening the route 29 miles over that which is being used at the present time.

MATHILDE M'CORMICK

Seventeen-year-old Chicago heiress and granddaughter of John D. Rockefeller, whose engagement to Max Oser, a Swiss riding master, was recently announced.

ASHLAND WINS IN BASE BALL GAME WITH GRANTS PASS

The Ashland high school baseball team won the game played yesterday afternoon on the high school diamond against Grants Pass by a score of 19 to 3.

In practice the teams showed up about equally, and a hard-fought game was expected by the large crowd of fans who turned out to witness the game. But Ashland was playing on the home grounds and were sure of every move, while the Grants Pass boys were on strange ground and could not cover up their nervousness.

Close, who pitched for the visitors, was able to stay but four innings, when he was replaced by Clayton. The team seemed to take a new hold then and scored two runs in the fifth, their first scores during the game. While Clayton held the locals well in hand for the next three innings, he lost out in the eighth when Ashland scored seven runs.

Weisenburger, pitching for the locals, kept the visitors guessing all the time, and while he did not have the best of control, he was able to pull out of all the holes he found himself in.

Features of the game were three home runs, one each by Selby, Rush and Herr of the local team. Rush's homer was secured with two men on bases, while the other two were hit out when the bases were empty. Ashland made 19 hits, averaging a run for each hit, while Grants Pass made a total of five hits.

The lineup was as follows: Ashland—Weisenburger p. Herr c. Young 1b. Rush 2b. Wentner 3b. Chapman ss. Wild lf. Beeson cf. Selby rf.

Grants Pass—Close p. Murphy c. CoGargel 1b. Baker 2b. F. Bailey 3b. Henderson ss. Crockett lf. Clayton cf. S. Bailey rf.

Umpires—Coleman for Ashland and Bretzler for Grants Pass.

FORMER ASHLAND PEOPLE WRITE FROM LANE COUNTY

W. F. Groves writes to the Tidings from Canary, Oregon, stating that he is the father of a fine boy, born April 28, and says that Mrs. Groves and baby are doing nicely. Mr. Groves also states that they are very much in love with their new home, but miss their many Ashland friends, including the Tidings, and sends greetings to every one. The Groves were former Ashland people, living at 271 Morton street.

HEALTH LEAGUE BRINGING FAMOUS SURGEON TO CITY

The Health league is very fortunate in securing Dr. T. J. Ruddy, of Los Angeles, as a speaker for the meeting Monday, May 8.

Dr. Ruddy is well-known as an eye, ear, nose and throat surgeon. He will examine patients and operate during the morning session, and also give a brief talk to the high school students. In the afternoon, there will be a free lecture at the public library at 2:30 o'clock, to which the public is invited.

MILLWRIGHT IS CAUGHT IN WHIRLING MACHINERY

WEED, Calif., May 6.—W. D. Stagg, a millwright at the sawmill, was painfully although not seriously injured when the sleeve of his jumper was caught on a revolving shaft. He was repairing a chain, when a fellow employe started the motor, which operates the machinery. His arms were drawn on round the shaft, and his body made several revolutions before his predicament was discovered and the motor shut off. He was released by the other employes and taken to the Weed hospital. Apparently no bones were broken, although he was badly bruised.

BRAIN OPERATION PROVES FATAL TO FAMOUS BANKER

NEW YORK, May 6.—Henry P. Davidson, famous banker and a member of the J. P. Morgan company, died today immediately following an operation for brain tumor. He passed away on the operating table at his home at Glencove, L. I.

Davidson had been assured by the attending surgeons that the operation was not serious. He spent the morning cheerfully chatting and joking with members of his family, J. P. Morgan and a few other friends who were there.

He was one of the foremost bankers the world has ever produced.

SENIOR CLASS PLAY LAST NIGHT GREAT SUCCESS

The senior class play was given last evening in the high school gymnasium to a packed house, and proved a complete success.

Harvey Woods, as "Skeet Kelly," was a scream from beginning to end for hardly a move was made or word spoken that did not bring a laugh from the whole house. Claudine Cox, as "Molly," proved to be the heroine of the day and sure, was well fitted for the part she played. The youngsters were always glad to see Katie Buchanan as "Aunt Jubilee," for she, surely played the true part of a southern darkey. Es-ther Church as "Elsie" acted the part of a newlywed through to perfection, as did Glen Hale, who took the part of "Ted." Lolita Pierson, as Henrietta Darby, proved a real Hawaiian humming bird, and entranced all the men she met. Russell Overacker as the villain proved himself at home in a difficult part and Paul Culbertson portrayed the part of a young attorney in the making. Marjorie Edson as the old maid done justice to her part, and Flora Putnam as "Diana Garwood," fell in love with the hero for what he done and not for his looks and was much disappointed when she saw him first to know who he was, but Harland McWilliams as "Mr. Man" proved equal to every occasion and in this case brought perfect harmony to Miss Diana. The part of "Mr. Man" proved a mystery until almost the very last, when he finally proved out to be "Ted" much to the surprise of the audience.

The music as furnished by the high school orchestra was received with delight by the audience and showed that the instructor of music has been getting results with her classes.

The play was also a success in a financial way, as practically every seat in the house was taken.

Will make macaroni in new Redding plant.

REDDING, Calif., May 6.—A new industry is to be established here—a paste factory. Joseph Merciar, a local merchant, and E. Venuti, of San Francisco, have formed a partnership and will invest \$10,000 in a plant for the manufacture of macaroni, vermicelli, spaghetti and kindred goods.

In Ashland's Auto Camp

The tourists are much pleased with the new ruling of the park board affecting the daily entrance fee at the camp. Hitherto, the fee has been 50 cents straight. This has been changed to 50 cents each for the first and second days, and 25 cents a day thereafter. Several tourists are taking advantage of the reduced rate, and are remaining over for several days.

It's an old adage that "truth crushed to earth will rise again," and it seems to apply to that which is untrue as well. For although the ridiculous stories about Ashland's bewhiskered speed cops, with their fishing poles, holding up unsuspecting tourists going over ten miles an hour, have been corrected many times, these old saws keep floating into the camp ground. Tourists at some California points are still being warned to "pass up" Ashland, and some are passing through on this account. Occasionally the warning is given an Oregon tourist, who knows better, as in the case of F. E. Meyer, of Salem, who came in from California last evening and was delighted with his reception.

Last evening marked the close of the second week with the daily registrations reaching 64.

Those arriving last evening were: P. Muir and family, Portland; Mr. and Mrs. J. L. Myers, Eugene; Mr. and Mrs. Victor Matson, Oakland, Calif.; Mr. and Mrs. F. E. Meyer, Salem; Mr. and Mrs. C. W. Bower, Spokane; Dr. E. J. McFall, Pendleton; Mrs. Kate Eason, Seattle; J. S. Cowide and party, Couer d'Alene, Idaho, and A. S. Ellis and party, Portland.

COST OF LIVING FIGURES FAIL TO BALANCE

WASHINGTON, May 6.—The cost of living is again on the increase in most sections of the country, so the bureau of labor statistics announced today. Retail prices of food have increased in 21 cities in the period from March 15 to April 15, while in nine others there were slight reductions.

A day or two ago the bureau of labor statistics sent out a report that the cost of living throughout the country had been reduced twenty-two per cent.

NIGHT AND DAY SESSION TO PASS NEW TARIFF BILL

WASHINGTON, May 6.—Night sessions of the senate will be begun this evening to expedite the consideration of the McCumber tariff bill, Senator Lodge announced today, following a conference with other republican leaders. Lodge said it was his purpose to hold the senate session from early morning until late at night, until the tariff bill is disposed of.

ANDERSON TOWN HALL BURNED AT EARLY HOUR

ANDERSON, Calif., May 6.—Incendiarism is suspected here today in the destruction by fire of the old I. O. O. F. building, just off the main street, used since the Old Fellows lodge here dissolved as a town hall and gathering place for community events.

The blaze, still smoldering today started at 2 a. m., the same hour as the fire which destroyed the yard of the Anderson Lumber company, two weeks ago, began. Authorities here express the belief the same parties may be responsible for both fires.

LOCAL FREIGHT DEPOT BEING MUCH IMPROVED

The Southern Pacific freight depot is being greatly improved these fine days, much to the delight of the employes, as well as the public in general, which it will affect.

The improvements consist of fine new cedar floors over the entire freight house, widening the platform and laying of new floors on all the platforms, replacing old doors and windows with new ones and placing new screens on the windows.

The work is being done to enable the force better to take care of the increase in business which will undoubtedly come as the season advances.

DEMOCRATS SCARE UP PROFITEERING TARIFF BUGABOO

WASHINGTON, May 6.—Increased taxation, extortionate prices, sky high profits—the return of the profiteers and profiteering of the world war—will follow the enactment of the McCumber tariff bills, Senator Simmons, the ranking democratic member of the senate finance committee, charged in a minority report to the senate today.

The democratic leader tore into the pending tariff measure as one that would "place the American people completely at the mercy of the greed and avarice of monopolistic, profiteering interests."

BANKER HINES IS SENTENCED TO TWO YEARS

In the circuit court this morning at Jacksonville, R. D. Hines, convicted of fraudulent bookkeeping in connection with the wrecking of the Jacksonville bank, was sentenced to serve two years in states prison.

Judge Calkins in pronouncing sentence, added the costs of prosecution but made the reservation of the right to modify this at a later date, if he felt that the circumstances warranted such a course.

It is believed that this reservation was made in view of the fact that strenuous efforts are being made to have Hines admitted to parole. Many of those who have been instrumental in circulating the petition are prominent in business affairs and politics of the county. The general feeling in the community appears to be that to a very large extent, Hines was made the "goat," and did not benefit financially in the wreck of the bank.

KOLB AND DILL SHOW AT MEDFORD THURSDAY

Mail orders received now, and seats will go on sale for the Kolb and Dill engagement at the Page theater, Medford, Tuesday, May 9, at 12 o'clock, and the advice of the manager is that you secure them at once, as this will be the only appearance of these stars in the city this season and capacity houses have greeted them wherever they have appeared as the new comedy they are playing entitled "Give and Take," is conceded to be the best thing they have ever done and is just one big round of pleasure—fun, music and pretty girls predominate.

MODERN WOODMEN

The Modern Woodmen of America will hold a large class adoption of candidates in the Moose hall on May 22, and the district deputy has made arrangements for several of the higher officials of the order to be present to assist him in the work.

Several good speakers will be present to address the members on the work of the order. Members from Talent, Medford and Central Point are also cordially invited to be present at this meeting, as a good time and a nice banquet are being arranged for those that can be present.

TINKERING NOT YET FINISHED ON BONUS BILL

WASHINGTON, May 6.—President Harding has been asked again by the republican members of the senate finance committee to help straighten out the soldiers' bonus tangle in congress.

Senators McCumber, Watson and Curtis of the committee, and Senator Lodge, the republican leader, conferred with the president at the White House for more than an hour today, outlining a combination of a cash and insurance plan which they have worked out to meet the administration's objections to the adjusted compensation certificate plan of the Fordney bonus bill which was passed by the house.

JAZZ BARRED IN DAYS OF '49 DANCE HALLS

SACRAMENTO, May 6.—They didn't jazz in the days of '49. And they won't in 1922—in the mining town dance hall at the Days of '49 celebration in Sacramento May 23-28. Committee on historical research says it won't do at all. Vigilantes will see that there isn't a bit of one-stepping or fox-trotting on any one of the 16,000 square feet of the hall. Saxophones, drums and cowbells are under the ban, too. Nothing but fiddles and Spanish guitars.

COUNTY Y. M. C. A. INSTITUTE WILL BE HELD MAY 14-17

A training institute will be held by the county Y. M. C. A., beginning Sunday, May 14, and continuing to Wednesday, the 17th. The sessions will be inspirational and instructive, and all committeemen, workers and friends of the association are urged to attend.

One of the principal speakers at the institute will be J. C. Clark, a Northwest man, who, for the past ten years, has served as a Y. M. C. A. secretary in Shanghai, China. Mr. Clark comes with an accurate knowledge of affairs in this vast empire of the far east, and his addresses will be one of the most inspiring and enlightening features of the institute program.

Forrest P. Knapp, of Sacramento, state Y. M. C. A. secretary for California, will be another of the speakers, and John H. Rudd, state county work secretary of Oregon, will also serve in that capacity.

On Sunday, the first day of the institute, Mr. Clark will speak in Ashland in the morning and in Medford at night. The other two speakers will be heard in other pulpits at the same time. Effort will be made to enable Phoenix, Talent and Central Point to hear the speakers also. Sunday afternoon will be given over to a meeting of the county committee and local committees with their wives.

The topics for discussion at the institute are of general interest to all interested in the work of the Young Men's Christian Association, and much interest is being aroused in Y. M. C. A. circles by the proposed sessions. Full program will be announced later.

THREE NEGROES ROAST AT STAKE AS CROWD JEERS

ONE CONFESSED RAVISHMENT AND MURDER OF 17-YEAR-OLD WHITE GIRL

Five Hundred Jeer as Negroes Are Roasted, One of Them Shouting A Hymn as He is Enveloped by Tongues of Flame.

KIRVINE, Texas, May 6.—Southern "justice" was meted out to three negroes as daylight broke over this little settlement this morning.

While a crowd of 500 men, women and children looked on and jeered, the three negroes were burned, one by one, in a vacant lot in the heart of the business district, as punishment for having ravished and murdered a 17-year-old girl, as she was returning home from school Thursday.

The negroes were arrested after searching parties had combed the district all Thursday night. On Friday, one of them confessed.

The negroes were first mutilated and then burned, each being bound to an old plow, around which a pile of wood was stacked.

"Snap" Terry, who confessed, was the first burned. He displayed a complete lack of fear and while the flames were leaping up and enveloping his body, he sang "Oh, Lord, I'm Coming."

NELLIE BENSON DEAD FROM AFTER EFFECTS OF FLU

Miss Nellie Benson, oldest daughter of Mr. and Mrs. W. A. Benson, of Bush street, died yesterday evening at 4:30 o'clock at the Granite City hospital. She was born September 26, 1904 and was 17 years 7 months and 9 days old at the time of her death.

Miss Benson lived for a number of years in Klamath county, where she attended the Catholic convent, receiving a great share of her education in that institution. She moved to Ashland with her parents about two years ago, since which time she has resided on Bush street. During the past year she had suffered an attack of influenza, and there was some recurrence after another of the disease, until her health was entirely unimpaired.

Thursday, she suffered what appeared to be a stroke of paralysis, losing the use of a part of her body, but remained rational and was apparently much improved during the morning hours yesterday, taking a relapse in the afternoon which resulted in death.

Miss Benson was a member of the Catholic church and was held in high esteem by those who were associated with her in religious work. She leaves to mourn her loss, her parents, Mr. and Mrs. W. A. Benson, one brother Alex, and one sister Margaret.

Funeral services will be held Sunday morning from the Catholic church, and interment will take place in Mountain View cemetery, in charge of J. P. Dodge and Sons, funeral directors.

DISTRICT ATTORNEY BROWER IS PLACED UNDER ARREST

KLAMATH FALLS, May 6.—District Attorney Brower is pretty well convinced that troubles never come singly. He is the target for an attack which has eventuated in a petition being circulated for his recall, and on top of this he was arrested yesterday by Chief of Police Wilson on a warrant issued by Police Judge Leavitt and sworn to by City Health Officer Stewart, charging violation of a city ordinance requiring sewer connections with residences. Brower said he would appear in police court today.
