Increasing The Purchasing Power of Your Corset Dollar

The only way you can make your dollar of today worth one hundred cents is to spend it wisely. You are pretty certain to pay a good price for whatever clothes you buy; be certain what you buy is what you want; that what you buy fits you mentally as well as physically so it will not be wastefully discarded before it has given full wearing service; that what you buy is of such quality that its wearing service alone will justify the expenditure.

A few dollars invested in a

GOSSARD Front Lacing CORSET

will save you—Oh, it cannot be expressed just in dollars and cents, it will have to be realized in blessings that are beyond price—style, comfort and health. You can buy a Gossard at any price you care to pay and at any price every dollar you spend will have a purchasing power of 100 cents.

The specialized service of our expert corsetieres assures your satisfaction.
