**ALL ON SALE AT REDUCED PRICES**

This week ending May 27, the day we draw the number for the Sellers Kitchen Cabinet  
**The Greatest Gift**

Sellers Mastercraft

\$1.00 down delivers this Sellers to your home. Only this week do you get the Onedia Community Silverware with each cabinet. We wish to demonstrate to every housewife the many features of this wonderful kitchen cabinet.

The reasons why you should trade with us are many: Because we must keep a reputation of selling honest merchandise at honest prices. Every chair, every rug, every bed-spring, when sent out by us, is a potential sign-board. And every customer receiving merchandise from us must know the quality he buys.

On this plan we set our reputation for value. Our reputation for service. Our customers are particular people. We welcome them; they are the barometers of our business and tell us when we are not going right.

There are very few people registered for chances on the Sellers Cabinet, or \$80 worth of merchandise of your own choice, and so why delay buying your house furnishings until next week when you can get big reductions on them at this time.
