LITHIAN CLUB TO HANDLE THE PARADE ON 4TH

BOOSTER ORGANIZATION MADE UP OF REAL LIVE WIRES

Younger Element of Progressive Business Men Band Together to "Put Over" Essentials for the Forward Movement in Ashland.

Ashland Lithians will take charge of the big July Fourth parade.

Nine new members were initiated into the inner circle of the new booster organization at last night's session. A beefsteak party followed the ceremonial. Under the wing of the Chamber of Commerce, Ashland younger business men have formed a club to emulate other live booster organizations such as the Rosarians, Cherrians, Berrians, Craters, Irrigators, etc. in other towns, and have adopted the name of Lithian in keeping with a distinctive Ashland feature.

With those who constituted the charter membership those who were initiated at last night's session, the roster now stands as follows: V. V. Mills, "Grand High Fizz"; Don A. Spencer, "Little High Fizz"; S. A. Peters Jr., "Chief Bottler"; J. H. Fuller, "Effervescent"; and Bubbles R. L. Burdick Jr., W. M. Briggs, Gerald Wenner, E. V. Dunn, W. E. Cook, Karl P. Nims, M. H. Ellis, Fred H. Taylor, J. A. Souther, Don A. Dickerson, Clyde Young, L. L. Leedom, J. H. Mackenzie, A. B. Mackenzie, R. F. Kruggel.

Eleven members were elected at last night's session: Glenn Simpson, H. G. Enders Jr., Will Holmes, C. D. Norton, S. H. Short, Dr. George Kinz, Dan Kay, Harry Tomlinson, N. H. Harrison, "Chick" Farlow and F. B. Sankey.

The titles given the officer of the organization is in keeping with the name. The "Grand High Fizz" is the president, the "Little High Fizz" the vice president, the "Chief Bottler" the treasurer, and the "Effervescent" being the scribe or secretary. The name "Bubbles" applied to all members is appropriate.

Several other matters of importance were also undertaken at last night's session aside from that of undertaking the July Fourth parade, such as the appointment of a committee to provide a sign to be placed in the streets directing all tourists to the Southern Oregon Tourist and Information bureau at the chamber of commerce, and voting to defray the expense of such sign.

Much enthusiasm prevailed at this session. Lithia water was indulged in by all present, and it was unanimously determined that the Lithians would make the old town hum.

DISCORD CROPS UP IN LABOR FEDERATION

CINCINNATI, O., June 10.—Discord, open and heated, broke out suddenly among the labor leaders in their deliberations preliminary to the opening of the American Federation of Labor convention here on Monday.

The action of the unionized architects in declaring for the "open shop" at the Chicago meeting yesterday, drew a demand from President Gompers that the building trades department "secure the repudiation of the architects stand or cut loose from the whole dirty concern."

The harmony efforts of the leaders to keep the convention free from strikes in other directions are also in jeopardy. The success or failure in keeping the national meeting peaceful depends on sidetracking a resolution asking the Federation to inject itself into foreign affairs.

The proposed resolution, unless withdrawn, will call upon Premier Lenine of Russia to free all political prisoners. Under the discussion of such a resolution, the Federation officials believe, an attempt might also be made by the radical group, to place the federation on record as favoring freeing 113 wartime prisoners in American jails. They are regarded as political prisoners.

JESSE WINBURN SENDS \$200 FOR 4TH CELEBRATION

EXPECTS TO ARRIVE WITH BERT MOSES IN TIME FOR FOURTH

Writes to Secretary Fuller of Chamber of Commerce, Enclosing His Check for \$200 to be Given as Prizes in July 4th Parade.

The chamber of commerce has received a \$200 check from Jesse Winburn to be applied on the budget toward defraying the expenses of the Fourth of July celebration this year. The letter, with which the check was enclosed, was written from the Broadmoor Hotel, at Colorado Springs, Colo., and dated June 6.

Following is the letter in full: Mr. John Fuller, 150 N. Main St., Ashland, Oregon.

Dear Mr. Fuller: Enclosed you will find to your order my check for two hundred dollars (\$200). If you will be good enough to offer this amount in prizes to those taking part in the Fourth of July celebration in Ashland, you will be conferring a favor upon me. Mr. Bert Moses and myself will leave here tomorrow morning, and as you know, we are touring and expect to go through Yellowstone park and therefore will not arrive in Ashland much before July 1. Kindest regards to Mrs. Fuller and yourself and wishing great success for the celebration and parade. Yours sincerely, JESSE WINBURN.

PARK BOARD READY TO GRANT CONCESSIONS

The park board have finished arrangements and are now ready to grant concessions for the Fourth of July celebration in Ashland.

The space along the walk has been divided off into sections of eight feet each, and these will be let for the celebration for \$15 each, with an additional charge of \$1.50 a front foot for more space. All spaces reserved will require a deposit of one-fourth at time of making reservation, the balance to be paid on or before June 26. All space not paid for in full on that date will be offered for rent again on the following day and the money advanced will be forfeited.

While the park board will not guarantee the right of any lessee to operate a concession not within the law, Mayor Lamkin has made the statement that any concession which comes within the state laws will be allowed to operate without interference from the local authorities.

STRAWBERRY FESTIVAL IS CHANGED TO ARMORY

The strawberry festival, which the ladies of the Civic Improvement club have planned for next Tuesday will be held in the Armory instead of at the Bungalow in the park. The reason for the change is that no lights or gas are connected up in the Bungalow, and this would necessitate considerable expense and an endeavor is being made to hold the expenses as low as possible.

The card tables are to be sold for \$2 each, or 50 cents for each person at the table, while the dance will be \$1 for the evening.

Strawberries and ice cream are to be served all during the afternoon and evening, and C. H. Pierce will give a Ford ticket with every 50 cents spent by one individual. Attend the festival, eat all the strawberries and ice cream you want, play cards as long as you like, follow up with a round of dancing and win the Ford with the tickets received. Enough said.

"ONE GLORIOUS DAY" AT VINING THEATRE

"Watch Your Step" will be seen for the last time at the Vining tonight and tomorrow and Monday. Those two clever screen favorites, Will Rogers and the inimitable Lila Lee, will be seen in the production of "One Glorious Day." That means 24 hours, but what is crowded into that brief space of time would ordinarily serve to cover the span of a life. There are some wonderful mechanical effects, the music is catchy and up to the minute, and the plot is a happy blending of pathos, love and comedy.

THREE REPORTS GIVEN HOUSE ON MUSSEL SHOALS

WASHINGTON, June 10.—Three separate reports setting forth recommendations for action by congress with respect to private development of the government's \$106,000,000 power and nitrate project at Mussel Shoals, Alabama, were made to the house yesterday by members of the military committee.

Acting Chairman McKenzie, of Illinois, who drafted the majority report, declares at the outset of the document that the Ford proposal was the only one found "worthy of serious consideration," and asks its acceptance by the house provided, however, that the Gorgas steam plant be not included among the projects to be sold.

Concurrence of the majority report, except for the reference to the Gorgas plant, is voiced in one of the minority opinions presented by Representative Wright, democrat, of Georgia, and supported by Representative James, republican, Michigan, and the remaining democratic members. They ask full compliance by the house with all provisions of the Ford proposal, and point out the belief that if congress eliminates the Gorgas unit, it would defeat the Ford offer.

A third report, submitted by Representative Parker, republican, New Jersey, and signed by Representative Frothingham, republican, Massachusetts, the opinion is adverse to the acceptance of Ford's offer.

ALLEGED WHITE SLAVER TAKEN IN HOTEL HERE

MAX ROSENBLUM AND "BELLEE" WARD ARRESTED UNDER MANN ACT

Seattle Sheriff Has Felony Warrant for Rosenblum and Wants Girl Held as Witness in White Slavery Prosecution.

Night Officer Webster Wertz last night took into custody, Max Rosenblum, 32 years of age, and a young woman known as Billee Ward, who had registered at the Columbia hotel, as "J. L. Jaber and wife." The arrest was made on a telegraphic request from Sheriff Matt Starwich, of Seattle, who notified Chief Hatcher that he held a warrant for Rosenblum's arrest on a felony charge.

Rosenblum was taken to the city jail, where he is held awaiting further instructions from the Seattle police. The young woman, who is pretty and about 24 years old, is in charge of the police matron, and will be held as a witness, perhaps as an accessory for violation of the Mann white slave act.

Night Officer Wertz saw the Ford truck in which the pair had driven from Washington, parked on the street in front of the hotel. The police had been notified to look out for such a truck, bearing the license number 218,127, and as this was what the police were looking for, it did not take long for Wertz to locate the ostensible owner in the Columbia hotel.

Rosenblum was taken to the police station and locked up, and the young woman was turned over to the care of the matron. Their baggage was placed in the vault, and the truck stored in the Ford garage.

This afternoon Chief of Police Hatcher received a telegram from Sheriff Starwich of Seattle, stating that an officer from the United States department of justice, would arrive in Ashland some time tonight and would take charge of Rosenblum and the young woman.

DAY OF MANY ACTIVITIES AT PRESBYTERIAN CHURCH

The Presbyterian church had a busy day yesterday. The Ladies Aid society spent a busy afternoon with sewing and quilting. At 3 o'clock, Mr. Darling arrived with his camera to take a picture of the Junior Christian Endeavor society, who were assembled on the church lawn. From 4 to 6 o'clock, a party was held by the Junior girls in honor of Isadore Jackson, who is to leave Ashland soon. At 6 o'clock, the Martha Gillette chapter of the Westminster Guild assembled for a sumptuous and elegant banquet, their special guests being Mrs. E. P. Young and Mrs. Will Lindsay, who expect to leave soon. These fellowship suppers always have been delightful occasions and last night's party proved no exception.

About 7:30 came the Christian Endeavor society in goodly numbers for their business meeting and social session. Most of them had earned 50 cents and told their experience in earning the same, for the church building fund. The society has its pledges to Union and state work paid for the year; also its pledge to the church fund, and a sum for missions. Some progress in "Four Square goals" was noted. At the social hour the guests exchanged some genuine dimes for some remarkable scrip to use in the auction of parcels which followed. Some fearful and wonderful packages were sold by Ralph Robison, a very able auctioneer, who cried the sale. Walter Miksch, treasurer, collected the coin. After other games and singing, the members were regaled with strawberries and cream. Silence and peace settled down upon the building about 11 p. m., but the church had been again the center of happy service and Christian fellowship, as it should be.

HIKING VETERAN HARNEY PASSES THROUGH ASHLAND

Tom Harney, hailing from Worcester, Mass., accompanied by "Girle," a well-bred Airedale, as his buddy, arrived here last evening on a long hike from his home town to the national encampment of Veterans of Foreign Wars to be held in Seattle the week of August 23. He spent a week in Sacramento and took part in the '49 parade. Incidentally he is recruiting membership for the Veterans of Foreign Wars. He left for Medford early this morning.

SUSANNE HOMES COUNTY SCHOOL SUP'T MARRIED

Susanne W. Homes, county superintendent of schools of Jackson county, and Floyd S. Carter were married last Monday evening at Grants Pass in the presence of a few intimate friends. The fact of the wedding was not known to Ashland friends of Mrs. Carter until yesterday.

Mr. Carter is a native of Oregon, his home being in Portland, but he has been in southern Oregon for the last two years, following his calling as a civil engineer, having been employed in the Rogue river irrigation projects and making his temporary home at Gold Hill.

Mrs. Carter needs no introduction to the people of the county, having been a resident of the county for several years, and has been connected with the schools of the county during that time. She was elected county superintendent at the last general election, which place she has filled with practically no criticism from any source.

After a few days spent on a honeymoon, the newlyweds will be at home in Ashland, where they will live during the summer. They have not decided whether they will continue their residence in Ashland any longer than the summer months.

DICK POSEY TO GIVE ORIGINAL POEMS MONDAY

Dick Posey, southern Oregon's own poet, and who is known by every man, woman and child in Ashland, will read a number of poems which he has recently written, on Monday evening at the Baptist church in Medford.

These poems have been written commemorating many points of interest in the Rogue river valley. He has invested these spots with a romance of rhyme which will cling to them through the years to come.

Dick Posey, or as he is known outside of his literary work—Richard Campbell—is giving a series of these evenings along the coast, and is beginning at home in the Rogue river valley.

It is hoped that the people of the valley will show their appreciation of local genius by turning out and hearing these legends of places with which everyone is familiar.

BUDGET FUNDS READILY GIVEN BY MERCHANTS

COMMITTEE REPORTS NEARLY ONE THOUSAND DOLLARS RAISED IN DAY

Response Has Been Unusually Good, Merchants and Others Cheerfully Subscribing for Budget Which Includes July 4th Celebration.

The budget committee for the chamber of commerce started the canvas for funds for the work of the organization yesterday morning, and will continue today and next week. C. H. Pierce is chairman of the committee, and he and V. O. N. Smith, G. F. Billings and A. C. Nininger were the workers yesterday, and others will assist from now on.

Mr. Pierce reports a splendid and encouraging response to the calls made by the committee in most instances. It should be understood that this budget includes all the undertakings of this community for which funds are solicited, such as publicity, including literature, advertising, signs and markers and mailing of literature. Support and maintenance of the normal school and furthering the installation of a permanent school in Ashland. Carrying on celebrations such as the coming 4th of July and other events.

Support and assistance to the development of the highest type of agriculture and livestock breeding, through such means as the winter fair, the cow testing association and the poultry association. Entertainment of conventions and guests to the city, such as the G. A. R. assembly, the Farm Bureau picnic, Jackson County School day, etc. Carrying on of athletic sports, programs, music and band concerts, and many other items which arise from time to time.

By making the canvass for all these items at one time, the merchants and those who are usually called on to contribute for these community events, avoid a continual demand and no solicitors are permitted except with the endorsement of the chamber. Those who are not subscribers to the budget, however, may be solicited for July 4th and other matters mentioned, from time to time, as it is not fair for some to avoid any obligation whatever.

Those who have contributed generously to the budget on the first day's canvass are as follows: Holmes Grocery, Thos. Simpson, McNair Bros., Nellie Dickey, Plaza Confectionery, D. H. Jackson, E. J. Kaiser, Studio Ashland, Susie L. Allen, L. L. Leedom, Sarah Gardner, C. J. Perrine, Mrs. W. M. Barber, O. J. Rathburn, Jesse Winburn, Ashland Laundry, H. F. Norton & Co., Ashland Fruit Association, Elhart's Drug Store, R. P. Porter, Dew Drop Inn, Murphy Electric Co., Ford Garage, Ashland Ice and Storage, Dickerson & Son Paint Shop, Ashland Flouring Mills, Ashland Vulcanizing Works.

WILD MAN RUNS AMUCK IS SHOT BY POLICEMAN

DALY CITY, Calif., June 10.—Coming out of the rocks and underbrush which, three years ago, swallowed him and where he lived the primal life, naked, subsisting on berries, game and fish, Otto Herlich, 37, entered a restaurant here today and attacked four men seated there. He felled two of them with a club he carried.

Policeman Hilton heard the commotion, and entering, was felled by a blow from the club. Hilton drew his revolver and fired one shot. The bullet pierced the wild man's body near the heart. He was taken to a hospital and it is believed he will die.
