

**LOCAL AND PERSONAL**

**Cattle Going to Portland—**

A large number of cattle are passing through on the trains these days bound for Portland. These cattle were bought by Portland cattlemen during the winter and turned out on the early grass in northern California, and have been fattened without a great deal of expense to the owners and now that the grass is getting practically burned out, the cattle are being shipped to Portland and placed on the market.

**Everything for Lanches—**
