

In Ashland's Auto Camp

An average of 50 cars a day park in the Ashland grounds. A much larger per cent than formerly remain the second day or longer. Several have remained the ten day limit.

Quite a number of those coming now have been here before this season, and they are unanimous in saying that Ashland is the best park they have visited. H. A. Holmes, of Everett, Wash., who has been here the second time this season, said: "I want to tell you that the tourists everywhere are advising the other tourists along the road, to be sure to make Ashland, even though it be necessary to drive an extra 50 miles to do so." Another tourist said recently: "I bet I have told 500 tourists of the Ashland camp in the past two years."

There will be a short picture program this evening beginning at 8:30 o'clock.

TRIED IT TWICE AND GOT SAME GOOD RESULTS

Portland Woman Tells of Remarkable Experience with Tanlac, Saying It Brought Her Complete Relief on Two Separate Occasions.

"I have taken Tanlac on two occasions, and I got complete relief each time," declared Mrs. E. C. Emerick, 1484 Boston avenue, Portland, Oregon.

"I suffered with stomach trouble four years, with sour stomach and sick, nervous headaches. Often I got so dizzy I could hardly stand up. I seldom ate as much all day as one of my children did at a meal. I always felt awfully tired out and my nerves were so upset, I couldn't even stand the noise of the children playing.

"But I finally took Tanlac, and it gave me back my appetite, corrected the sour stomach, stopped the nervous headaches and dizzy spells, and I also gained 11 pounds in weight.

"Well, I just felt fine after that until I had the 'flu' which left me run down and very weak and nervous. So I just got Tanlac again. Now I have regained all my lost weight and feel just fine. I simply can't praise Tanlac too highly."

Tanlac is sold by all good druggists.

Flag Day, June 14, was made notable by the dedication at Fort McHenry of this monument to Francis Scott Key, author of the "Star-Spangled Banner," and to the soldiers and sailors who took part in the battle of North Point and the defense of Fort McHenry in the War of 1812. The impressive memorial is the work of Charles H. Nelhaus, President Harding delivered the address.
