**LOCAL AND PERSONAL**

**Relief Corps Meets—**  
The Women's Relief Corps met the first of the week at the home of Mrs. R. C. Porter, at 403 Palm avenue, and spent a very pleasant afternoon. There was no program, but the 40 ladies present had a very enjoyable social time. Refreshments were served in the late afternoon.

Let Jerry O'Neal figure your next job of plumbing. First class material and workmanship. Phone 138. 207 E. Main street. 238tf

**Hikers Get Sunburned—**  
Melvin and Harry Borah and their guest, Richard Ellis, of Visalia, Calif., scaled Mount Ashland Tuesday. They were accompanied on the trip by Mrs. W. M. Denton, aunt of the Borah boys, to see that they traveled all the way to the top. Everybody reached the top, and after admiring the wide-spread view, filled thermos bottles with snow and started on the return trip. Outside of being slightly sunburned, they all arrived home happy though tired. On the way to the top, they met Rev. Hammond and his grandson Phillip, who had been to the top the previous day, having hiked all the way from Ashland.

Trade your old tires in and buy MASON CORDS at LEEDOM'S TIRE HOSPITAL. 252tf

**"IT'S A FRIEND IN NEED" SAYS LITTLE WOMAN**

Portland Resident Is Astonished at Way Tanlac Rid Her of Dyspepsia And Restored Her Health.

"I am certainly grateful to the friend who urged me to try Tanlac as it has certainly been a friend in need," said Mrs. C. A. Larsen, 392 East 30th street, Portland, Oregon. "Two years ago I began to suffer from indigestion and a very bad form of stomach trouble. My appetite was very poor, what I ate distressed me terribly and would bloat me up so bad I just had to gasp for breath, and my heart would palpitate so it frightened me. I suffered awfully with constipation, dizzy spells and sick headaches. My arms ached badly, and the muscles of my legs hurt so I could hardly get about. Nothing I tried seemed to do me any good.

"It's astonishing the way Tanlac helped me. My appetite is now splendid. I sleep well and my nerves are steady; in fact, all my troubles have disappeared, and I feel just fine. Tanlac is certainly a good medicine. Tanlac is sold by all good druggists.

**Visits Daughter—**  
Melvin VanNatta, who has been in the city visiting with his father, G. O. VanNatta, for the last few days, made a trip to the Antelope country Wednesday to visit his daughter, Mrs. Ray Wilcox, returning to Ashland in the evening.

**UNDER STRIKE CONDITIONS BEST EXPLAINED BY CHAIRMAN BEN W. HOOPER OF THE UNITED STATES RAILROAD LABOR BOARD IN HIS STATEMENT OF JULY 1ST, READING AS FOLLOWS**

"In this case the conflict is not between the employer and the oppressed employee. The people of this country, through an act of congress, signed by President Wilson, established a tribunal to decide such disputes over wages and working conditions, which are submitted to it in a proper manner. It is the decision of this tribunal against which the shop crafts are striking.

"Regardless of any question of the right of the men to strike, the men who take the strikers' places are merely accepting the wages and working conditions prescribed by a government tribunal and are performing a public service. They are not accepting the wages and working conditions which an employer is trying to impose. For this reason public sentiment and full government power will protect the men who remain in their positions and new men who may come in." Adequate provisions have been made for the full protection of all new employees, the same as old employees who have remained loyally at work. Applicants should apply to the office of the superintendent at Portland (Union station), or to the assistant superintendent at Roseburg.

**CYCOL**  
MOTOR OIL  
Free from destructive "Sulpho" compounds  
Destructive "Sulpho" Compounds damage your engine  
The presence of destructive "sulpho" compounds in oil and the great damage they cause to engines are comparatively recent scientific discoveries.  
Destructive "sulpho" compounds in oil cause it to break down and thin out—cause loss of power—cause engine troubles and heavy repairs.  
The Associated Oil Company originated and has sole use of the new Hexeon Process. It makes Cylcol free from destructive "sulpho" compounds. As a result Cylcol retains its "body" under engine heat—maintains the lubricating film between moving parts—prevents many serious engine troubles.  
No other oil can do this, regardless of its "base," source or price, if it contains destructive "sulpho" compounds. Don't risk the damage that such oils cause. Flush your crank case with fresh lubricating oil, not kerosene or so-called flushing oil, then refill with Cylcol.  
*The importance of the Cylcol Lubrication Chart*  
Different brands of motor oils have different bodies. The safest, surest way to get the best performance from your motor and avoid expensive engine troubles due to incorrect lubrication is to use the grade of motor oil specified on the Cylcol Lubrication Chart.
