Gordon McKay and Welty Will Mix Tomorrow Night

Fight fans are to get a treat at Brown's Gym in Medford tomorrow night, featuring Gordon McKay, who is at present junior middleweight champion of the world. There is only one object in McKay's way to the middleweight championship, as he has met and defeated the best boys in the game, such as Mike Gibbons, Jack Britton, Walter Champ, Soldier Bardfield, Frank Barrius, Mike McTiuge, Mickie King and Al Sommers.

Benjamin, McKay's manager, has posted a \$10,000 challenge for a Johnny Wilson bout. Wilson at present has never answered the challenge. Rudy Stange, McKay's trainer, states he has his man in the pink of condition, and is not worried over the fistie battle tomorrow evening. McKay will go through his program tonight at Brown's Gym.

There will be only one price of admission to the fight tomorrow night—\$1.50 plus war tax for any seat in the house.

UNDER STRIKE CONDITIONS BEST EXPLAINED BY CHAIRMAN BEN W. HOOPER OF THE UNITED STATES RAILROAD LABOR BOARD IN HIS STATEMENT OF JULY 1ST, READING AS FOLLOWS

"In this case the conflict is not between the employer and the oppressed employes. The people of this country, through an act of congress, signed by President Wilson, established a tribunal to decide such disputes over wages and working conditions, which are submitted to it in a proper manner. It is the decision of this tribunal against which the shop crafts are striking.

"Regardless of any question of the right of the men to strike, the men who take the strikers' places are merely accepting the wages and working conditions prescribed by a government tribunal and are performing a public service. They are not accepting the wages and working conditions which an employer is trying to impose. For this reason public sentiment and full government power will protect the men who remain in their positions and new men who may come in."

Adequate provisions have been made for the full protection of all new employes, the same as old employes who have remained loyally at work. Applicants should apply to the office of the superintendent at Portland (Union station), or to the assistant superintendent at Roseburg.

a New "USCO"— Better, Heavier, Longer Wearing 30 x 3 1/2 - \$10.90 No Tax added on Sale Now

USCO set the high value mark for 30 x 3 1/2 tires when it originated the \$10.90 price last Fall.

USCO today betters that mark with a new and greater USCO—an USCO improved in many important ways. For instance, a thicker tread—with a surer hold on the road—thicker side walls, adding strength and life to the tire.

And the price is \$10.90—with the tax absorbed by the manufacturer.

Men have always looked to USCO for the biggest tire money's worth on the market.

They always get a bigger tire money's worth than they expect.
