Abdication of Hsu Chih-Chang as President of China

VOLUME 3 (Successor to the Semi-Weekly Tidings, Vol. 43)

ASHLAND, OREGON, MONDAY, JULY 24, 1922

ADMINISTRATION WILL PLAY TRUMP CARD TO BREAK DEADLOCK

Plan Evolved by Secretary Hoover on this year's crop from the 60 @ Virtually Means the Taking Over trees amounted to \$954. And Practical Operation of the Railroads and Coal Mines.

WASHINGTON, July 24. - The seventeenth week of the national coal strike and the fourth week of the equally menacing railroad strike, began today with the government holding in reserve its trump card-assumption of federal control of the country's transportation and distribution system, under the authority vested in the government by the emergency clauses of the transportation act.

This week, it is expected, will determine whether this card will have to be played, and before it's end the of a young married couple yesterday government may be in control once in an unusual accident. Both bodies more of the whole vast structure of were found in a bath room and ininterstate transportation.
