Federal and state aid is also expected for this road.

### FAME A FLEETING THING, PARTICULARLY IN MOVIES

Fame is a great thing, especially if it comes through hard work in motion pictures. Norma Talmadge, who is at the Vining in "Smiling Through," is one of the best known of film stars. The First National star comes from a family of actresses Constance and Natalie Talmadge, also film celebrities, being her sisters. Her brother-iu-law, Buster Keaton, is also a celluloid

Regardless of one's personal fame one is sometimes known by one's relatives. Recently Norma Talmadge was working on a street scene in the HEALER-1EVANGELIST heart of Hollywood. A large crowd had gathered to see the star per-

form before the camera. "Who's that working there?" terial association last Monday after- ger of the local branch of the Bank to the porch of the summer home

### Trying Out the Lie Detector

Here are two illustrations of the "lie detector" in use. In the top picture you see Dr. Larsen making an actual test of an alleged criminal. The lower photo shows the instrument attached to the arm of the man upon whom the test was made. Fortunately, the machine proved the absolute innocence of this man, whose name is withheld for obvious reasons.
