Why Pick Up After A Laundress?

It's almost as much of a task as the washing itself—picking up after your laundress; seeing that things are rightly done; fussing over her meals; measuring out soap and starch and other supplies.

Our Family Laundry Service saves you all this.

We call for your family bundle and attend to all these details for you. And promptly, on the dot, we return your clothes, beautifully clean, everything dried and ready to put away except a few starched pieces that you can easily iron.

It's a saving service, saving for you and saving for your clothes. It's a service you can always depend upon; and the little ironing which is left for you to do at home becomes really a pleasure.

We know that you'll like this modern way of taking the toil out of wash day.

Try it, today—phone for our driver; we'll have him call for your washing.
