Fishing at High Banks—
Robert Middleton and Mr. Elam spent Sunday fishing at High Banks on Rogue River. They report having caught a few good steel head, but say that the river is too low to allow the fish to come over the fish ladder at Savage Rapids, and on that account fishing above the dam will be poor until the water raises. With the few good rains of the past ten days at the mouth of the river, Mr. Middleton says that the silver-sides are due for a run in the very near future.

RHEUMATISM CANNOT EXIST

in the human body, if you will use Trunk's Prescription. It is ridiculous, absurd and preposterous, in fact, it is a pity and a shame to suffer with inflammatory, muscular, sciatic or any other form of rheumatism.

Trunk's Prescription sells for \$1.75. This prescription DOES NOT ruin the stomach, it DOES NOT depress the heart. Eat all the meat and good food you wish while taking Trunk's Prescription. It DOES NOT contain any harmful drugs or narcotics of any kind, but it positively overcomes any kind of rheumatism or gout on earth. WHAT MORE DO YOU WANT? There is nothing just as good, and it is impossible to get something better. For sale at drug stores. Wholesale distributors—Clarke Woodward Drug Co., Portland, Oregon.—adv.
