#### WHAT IS MEANT?

Voters of the municipality will be asked to decide upon the following ballot title at the general election to be held November 7, 1922:

"Shall the common council adopt a policy of opening up Ashland creek canyon and watershed to further extension of roads and scenic drives, with strict camping and picnickng prohibitions, or shall further development of roadways, except such as are needed by the municipal work of the city, be discouraged?"

council expect from the above measure? If the voter is in favor of opening up Ashalnd creek and the Roumania Prince further extension of roads , with provisions, and votes "Yes," he is also casting his vote for the discouraging of further developments. On the other hand, if he is aganst the first proposition, and casts a negative

counted "No," and if you vote "No" was among the Portland throng that was apportioned to the state highthe result is "Yes." Just what is greeted him. Strang, at one time a meant by the measure?
