The
WARNER CORSETS
are here

Warner's
WRAP-AROUND

—A rubber girdle that is different. Of course, you like the comfort of an elastic girdle, with its soft, youthful lines, but like many other women, you have found that most girdles soon lose their shape and let the fine lines of your figure grow slovenly. We have a full line of Warner's Elastic Girdles, including the wrap-around shown above.

We are proud of many features of our store, and the service it gives, but we take our greatest pleasure in the confidence mothers place in us when they send Sweet Sixteen to our Corset Department. Here we have selected the best-fitting corsets for youthful figures.

We are prepared to fit every type of figure in this new line of Warner's Rust Proof Corsets. Be fitted. See window display.

—For the woman whose weight is mostly carried below the waist, we recommend this comfortable and well-designed model in Warner's Rust Proof Style 0320—made of stout coutile with low bust and wide elastic insets as shown above.

The
utmost
a cigarette can do

When we tell you that there is no other cigarette at Chesterfield's price which contains such fine Turkish and Domestic tobaccos, we state the fact. It's true.

And when we tell you that Chesterfields satisfy, we state another fact. It's the utmost a cigarette can do.

Let Chesterfields prove this.
