FOURTH ANNUAL LEGION MEET IS IN FULL SWING

NEW ORLEANS HOST TO 100,000 VISITING LEGION MEMBERS

FIGHT FOR BONUS JUST BEGUN, SAYS MACNIDER

Retiring Commander Is Greeted with Rousing Reception; Ex-Servicemen from Entire Nation Swarm into Southern Convention City.

NEW ORLEANS, Oct. 16.—While his buddies shouted and stamped their approval, retiring National Commander MacNider declared the bonus fight was only begun, at the opening of the fourth annual convention of the American Legion.

He asserted that "no one man, untouched by war, and without kith or kin to those who served, no one group, financial or otherwise, can stand between the wishes of the American people and the fulfillment of what they believe to be a governmental obligation."

NEW ORLEANS, Oct. 16.—New Orleans, famed as the host of hundreds of conventions, prepared today to entertain the largest crowd in her history when members of the American Legion met in their fourth annual national convention.

Stimulated by a reduced railroad rate, lower hotel tariffs and the prospects for attendance of numerous world war general and other notables, Legion men from all parts of the country invaded the Crescent City. Convention officials believe that the attendance will exceed 100,000 veterans.

General John J. Pershing, who led the Legion men in France and who was their guest at the convention in Kansas City last year, has tentatively accepted an invitation to attend this year's meeting.

This is an installment on overdue interest on over four billions lent to England by the United States. The beginning of the interest payments is expected to aid in unsnarling the inter-allied debt tangle. Payments are to be made at six months' intervals.

ASHLAND DEFEATS KLAMATH FALL HI 20 TO 0 SATURDAY

Scoring in every period of the contest, with the exception of the third canto, Ashland high school defeated the Klamath Falls eleven Saturday afternoon by a score of 20 to 0, in the first interscholastic football game of the season. With the exception of a few plays near the end of the struggle, the visitors put forward no real aggressive ability, and at no time seriously threatened the locals' goal.

Klamath Falls was lighter than the Ashland team and was absolutely unable to stop the plunging and running of the backfield, with exceptional occasions when a man, more fortunate than the others, managed to find a hole in the line and make the most of his advantage. The visitors had only one real man, Graves, who was able to find an opening in the Ashland line of defense. Several times he hit the line with telling effect, and was only downed after he had reeled off good yardage. Once he was nailed from behind, putting an end to what promised to be a long gain.

Lack of proper knowledge of the essentials of the game cost the visitors much valuable ground, a 15-yard penalty imposed in the final period, followed by a long completed pass and some good line smashes enabled Ashland to cross the goal for the third time. Two out of three attempts at converting the extra unit were successful.

"Skeet" Manarud, former mid-get star on the U. of O. eleven, and who made himself famous during the Oregon-Harvard classic refereed the game.

The line-up for the game was as follows:

Klamath Falls, Garich, right end; Robertson, right tackle; Turner, right guard; Christy, center; Fravin, left guard; Moreland, left tackle; Row, left end; Payton, quarterback; Graves, halfback; Mills, halfback; Molsenbacher, fullback.

Ashland—Hobson, right end; Chapman, right tackle; Carlson, right guard; Lockhart, center; Thornton, left guard; Leach, left tackle; Wilde, left end; Nelson, quarterback; Beeson, halfback; Clark, halfback; Rush (captain), fullback.

PRETTY WEDDING IS HELD SUNDAY NOON

A very pretty wedding was solemnized at the stone church, corner of Fifth and Main streets, at high noon yesterday, by Rev. Judson Oldfield, pastor of the Congregational church, immediately after his own services. The contracting parties were George Arns and Miss Eva Bush, daughter of Mr. and Mrs. D. E. Bush, of 855 B street. Mendelsohn's wedding march was impressively rendered by Mrs. C. T. Pine, as the bridal party entered the church. There were no attendants, and the ring service was used, little Dorothy Bush acting as ring-bearer, carrying the ring in the heart of a rose.

The child-like bride was charmingly kownd in white satin, with a long white tulle veil reaching the ground, and carrying a shower bouquet of clematis, anemones and pink La France roses. The young groom was attractively attired in his conventional best.

After the ceremony the party was driven by Mrs. Acklin to their future home on B street, to partake of a wedding breakfast prepared by their friends. The groom is in the employ of the Southern Pacific company in the maintenance department.

ADMIRAL SIMS RETIRES AFTER 46 NAVAL YEARS

COMMANDER OF THE AMERICAN FLEET DURING WORLD WAR IS 64

STOOD LOW IN CLASSES AT NAVAL ACADEMY

Scholastic Ability Places Future Admiral Midway in Class of 56; Married in 1905 and Has Five Children.

WASHINGTON, Oct. 16.—Rear Admiral William Snowden Sims, head of the Naval war college at Newport, R. I., and commander of the American fleets in European waters during the world war, was placed on the retired list Sunday at the age of 64, after 46 years of service.

Rear Admiral Sims was born October 15, 1858, in Port Hope, Ontario, where his father, a native-born American citizen, employed as a civil engineer, had married a Canadian girl. When the future admiral was about 10 years old the family removed to the United States, and on June 24, 1876, young Sims was appointed to the naval academy from Pennsylvania.

For some months Sims stood resolutely at the foot of his class, but was graduated 28th in a class of 56 in 1880, and entered upon a career which, both inconspicuous and innocuous for 21 years, advanced him only to the grade of lieutenant.

Admiral Sims was married to Anne Hitchcock, daughter of former Secretary of the Interior Ethan Allen Hitchcock, of St. Louis, in 1905. They have five children—three girls and two boys.

MANY SURPRISES ARE SPRUNG IN FOOTBALL WORLD SATURDAY

Football dopsters were considerably upset during the past week-end by the scores reported from various parts of the country. The greatest surprise coming from New Haven, where the University of Iowa handed the Yale eleven the short end of a 6 to 0 score.

One of the biggest local sensations was the result of the Medford Grants Pass game, played at Medford Saturday afternoon, in which it appeared the visitors had absorbed too much "climate," as they were thoroughly and decisively defeated by the record score of 74 to 0. This should serve to make them easy meat for Ashland next Saturday, when they play here, and a second defeat will not be taken so much to heart.

The University of Oregon went down under the onslaught of the heavy Multnomah club team, 20 to 0. The University of Idaho, never a heavy contender in conference circles, surprised the northwest by holding the University of Washington to a 2 to 0 victory. This was the first time the two teams had met on the gridiron in a decade.

Oregon's "Fighting Aggies" managed to win a listless contest from Pacific university by a close margin, emerging with a three point lead. The score at Corvallis was O. A. C. 3, P. U. 0.

NEW TRIAL DEMANDED IN P. G. & E. CONDEMNATION SUIT

REDDING, Calif., Oct. 16.—Attorneys for the Pacific Gas & Electric company have made a motion in the superior court asking for a new trial of the condemnation suit against the Dennis family that ended two weeks ago in the jury giving the defendants \$52,500 for riparian rights on Pit river.

The motion was made on various points familiar to attorneys—errors of law, insufficiency of the evidence, excessive damages, errors of the court, and that the verdict was against the law as given to the jury in the court's instructions.

Attorneys for the Dennis family hold that the case is ended, as the company has appropriated the water and paid the judgment.
