ENGLAND WILL HOLD GENERAL ELECTION SOON

COALITION CABINET RESIGNS TODAY UNDER BLOW OF TORIES

GREAT WAR STATESMAN TO TAKE NEEDED REST

Lloyd George Friendly As He Waves To His Friends After Quitting Palace; Successors Are Being Mentioned by London Gossip.

LONDON, Oct. 19.—A. D. Law accepts the premiership.

London, Oct. 19.—The last great war statesman went into eclipse today when Lloyd George resigned with the rest of the coalition government. The premier presented his own resignation. The ministry fell under the blow of tories supported by labor.

The premier was in a good humor. With a smile he waved his cane to friends after leaving Buckingham palace.

The premiership has been offered to Andrew Bonar Law, former chancellor of the exchequer, a unionist, who is 63 years of age, and who was chancellor from 1916 to 1919. Lord Curzon is mentioned for foreign secretary and Stanley Baldwin as chancellor.

Lloyd George plans a long rest and plans to do much writing. He may visit the United States. Tory members have voted in favor of an immediate general election to create a new government and a new house of commons.

LONDON, Oct. 19.—The government has resigned, following the action of tory members in parliament in voting in favor of a general election immediately. The vote was 187 to 87.

The unionists decided that the tory party "should go before the country under conservative leadership and ascertain the desires of the people."

Leslie Wilson resigned as "whip" of the unionist (tory) party in the house of commons.

It is understood that Lloyd George saw King George and carried the resignations of the entire cabinet. The king hurried from Sandringham to London.

A Central News dispatch says the Lloyd George coalition government has resigned.

STATE Y. M. C. A. SECRETARY WILL VISIT HERE SOON

W. W. Dillon, state secretary of the Young Men's Christian Association, will be the principal speaker at the county Y. M. C. A. convention to be held in Ashland, Friday, October 27. State secretary for county work, John H. Rudd will also be present to speak of progress in other parts of the county.

One of the features of the convention will be reports of activities in various parts of the county by boys and young men actually participating. While such reports may not be as smoothly presented as by more experienced adults, they are most impressive by their ring of accuracy and definiteness.

The convention will assemble at one of the Ashland churches at the dinner hour and convention business will be transacted around the table after the meal. Announcement later as to time and place.

EUGENE, Oct. 19.—Lieutenant R. L. He will compete in the Gordon Bennett internationals at Paris this coming winter, according to Lieutenant Harold Smith, member of the patrol, who is still in Eugene, engaged in mapping landing fields in the northwest.

While with the patrol Maughan had the record of being a fast pilot. His plane was also kept "tuned up" for high speed and he could be distinguished from other aviators by the speed at which he traveled.

HERMISTON HAS ITS OWN EARTH SHOCK

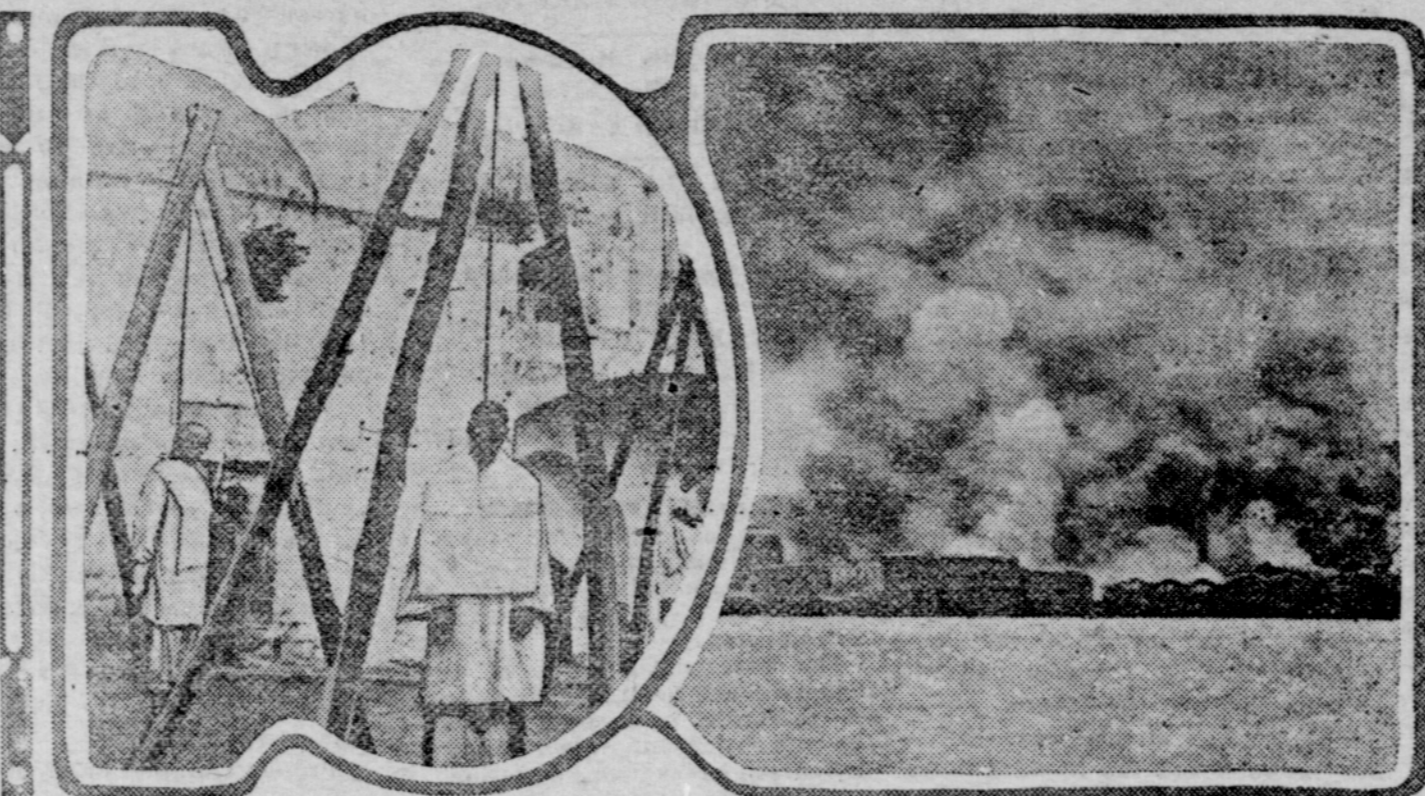

PENDLETON, Oct. 19.—The Hermiston vicinity apparently is the earthquake center of Umatilla county. Pendleton people did not notice the tremors at all. A similar occurrence was reported from Hermiston about seven years ago at nearly the same time of the year, it is reported.

The Grants Pass high school football team will invade local territory Saturday afternoon in an attempt to wipe away the stigma of the 74 to 0 defeat handed them in Medford last Saturday.

Ashland High, through the win over Klamath Falls last week, feels in a position to give the visitors a good argument on the gridiron, and though they have been working hard all week, members of the squad are not over-confident for the coming struggle.

Games in southern Oregon this week will enable followers of the sport to get a line-up on their teams. Medford will play Klamath Falls at Klamath Falls. As far as hope goes, the result of this game will throw some light upon the coming Ashland-Medford contest.

OPENING LYCEUM NUMBER IS VERY WELL RECEIVED

Versatility to a great degree was expressed by the "Little Players" company in the opening number of the winter lyceum course offered under the auspices of the American Legion at the Armory Wednesday evening. Nearly 500 people took advantage of the course.

Songs, dialogue and music delighted the audience, Miss Esther Curtiss having a very winning personality, while Fred Osborne, with his imitations and performance upon that well-known musical instrument, the mouth organ, gave a very fine exhibition of his proficiency. The only possible criticism that could be offered is that the action of the two short plays dragged a trifle and would have greatly added to the performance had it been speeded up a little. However, judging from the criticism heard, the evening was very much enjoyed by the audience.

FORMER ASHLAND BOY IS MARRIED IN CALIFORNIA

Fred W. Cochran, son of Mr. and Mrs. W. T. Cochran, of Albany, Or., who formerly lived in Ashland, was married Sunday, October 15, at San Rafael, Calif., to Miss Adele Gilman. The former Miss Gilman is the youngest daughter of Mr. and Mrs. Charles Gilman, of Berkeley, Calif. After the ceremony, the young couple motored to the Tavern El Verano, situated in the "Valley of the Moon," near the former home of Jack London, the famous writer, where a lovely dinner had been prepared. After a tour of this historic valley, the young people returned to Berkeley and were greeted by a host of relatives and friends and immediately plans were made for a second dinner to be given in their behalf.

Mr. and Mrs. Cochran will make their home in East Oakland and will shortly endeavor to visit the former home of the bridegroom at Albany.

STUDENTS ACCUSED OF IDLENESS ARE DEFENDED BY OHIO COLLEGE HEAD

COLUMBUS, O., Oct. 19.—"Much criticism is being aimed at colleges because so many students are taking courses for which they are not fitted," declared Dr. W. O. Thompson, president of the Ohio State University.

"It is the duty of the secondary schools to discover the line of endeavor for which the student is best equipped.

"The charge has been made that colleges and universities are filled with drones, idlers, shirkers and social climbers. Persons of this nature are found in all walks of life. Such a charge should not be made against one group of persons."

DUST SAWYER IS DEMAND OF A. L. AT CONVENTION

REMOVAL OF HEAD OF HOSPITALIZATION BOARD BITTERLY FOUGHT

CONSERVATIVE ELEMENT CONTESTS LEGION EDICT

Long Stormy Night Session Wednesday Preceded Today's Resolution; Col. Forbes Quits Convention Because of Treatment, It Is Alleged.

NEW ORLEANS, Oct. 19.—The American Legion, at its fourth annual convention here, by a resolution adopted this afternoon, demanded the removal of Brigadier General Sawyer, head of the federal hospitalization board.

His action of the Legion was strongly contested by the more conservative element, which had earlier throttled the further condemnation of the policy pursued by General Sawyer. During a rough and stormy night session Wednesday, 14 different resolutions criticizing Sawyer were smothered. Threats were made at that time that the fight on Sawyer would be carried to the convention floor.

Prior to the night session, Colonel Forbes, director of the veterans' bureau, left the convention. Reports current were that he had become nettled over the treatment given him. Conflicting rumors were rife concerning his action, chief of which was that President Harding was responsible. A dispatch from Washington denied this.

NEW BAKERY WILL BE OPENED NOVEMBER 1

R. C. Jorgensen has leased the room in the Rhodes-Farlow building, which was recently vacated by the Dew Drop Inn, and expects to install an up-to-date electric bakery before the first of November.

Mr. Jorgensen has just returned from Portland where he completed the purchase of equipment for the bakery, and will be ready for business as soon as this arrives.

The oven was ordered several days ago from the Edison company at Ontario, Calif., and should arrive here within the next few days. Show cases and other equipment, which will come from Portland, are being made to order, and when they arrive and are set up, the place will be one of the finest in southern Oregon, as it will be new throughout.

Inasmuch as everything is to be done by electricity, Mr. Jorgensen has decided the name of the place shall be the "Electric Bakery."

ELKS SHOW PROMISES TO BE DRAMATIC WHIRLWIND

"We Should Worry," the whirlwind Elks' show to be at the Vining October 31 and November 1, will "knock 'em dead," it is claimed.

That's what those who have witnessed the rehearsals say. The comedy in the show is a knockout. Music galore and pretty girls are enough to insure the success of the production, but in addition to such features, the theme of the farce comedy will keep the audience in an uproar from the start of the first act until the final curtain.

During the course of the play, ten big musical numbers and 20 big song hits are introduced by different members of the cast, supported by a chorus of 50 in glittering gorgeous costumes.
