THREE BANDITS ANNEX WATCHES CASH AND AUTO

MACHINES ARE STOPPED ON HIGHWAY NEAR FAIR GROUNDS

VICTIMS RELEASED CLOSE TO GOLD HILL

Deputies Search for Hours Sunday Morning; Highwaymen Attempt to Run Bluff on Owner; Auto Is Recovered Later at Medford.

Highway bandits held full sway early Sunday morning when they held up three machine loads of people returning from the dance at the fairgrounds, confiscated one of the machines, relieved the occupants of all cash, watches and jewelry, took their victims to Gold Hill, and turned them loose to make their way back to Medford as best they could.

The hold-up was staged by a trio of bandits, who stopped the machines near the fairgrounds. One man contributed \$120, while the rest donated less liberally. Those in the three cars were loaded into one machine, a Buick, which was driven by one of the robbers. When all were allowed to leave the car at Gold Hill, the highwaymen continued in the direction of Grants Pass.

Following the departure of the machine, the victims started to walk back towards Medford. A machine was seen approaching from the north, and was flagged. One of the party recognized the machine as his, the one that had been stolen. The bandits "stepped on it," and disappeared. The machine was found later in Medford, where it had been abandoned.

Within a short time after the hold-up, special deputies were stationed along the highway in various parts of the county. Those who returned to Ashland at a late hour were stopped by the officers, and questioned as to whether or not they had seen the Buick, it not being known at the time which direction had been taken by the bandits in their escape.

According to police authorities today, the identity of the highwaymen is still unknown, though the officials state they are in possession of clues that may lead to their apprehension.

ASHLAND HI DOWNS GRANTS PASS TEAM BY SCORE OF 68-6

Great was the rejoicing in the city Saturday night, when, after the dust of battle had blown away, the local eleven emerged from the Grants Pass-Ashland game with the best of a 68 to 6 score. The visitors lone tally came in the second quarter, on a cross-tackle buck, the visitors driving through a rift in the Red and White line for 40 yards, stopping only on the five yard line. A final smash and the tally was recorded.

Grants Pass possessed a snappy start, which lacked the punch and which failed to advance the pigskin. The snappy appearance was all that they did possess, and they showed the lack of scrimmage. Ashland's backfield was able to pierce the moth-eaten defense almost at will. In the final canto, Grants Pass attempted to stage a final rally, and succeeded in making yardage a few times, forcing Ashland to resort to punting.

Though it was at first believed that the absence of Captain Rush, who recently deserted his teammates in a pique, would seriously hamper the team, his absence was not noticeably felt, Clark, acting captain, filling his shoes in a worthy manner.

During the contest time-out was called several times on account of injuries sustained by the visitors. Johnny Stevens, of G. P. H. S., was carried from the field late in the game when he had his back injured for the second time this season.

Touchdowns by quarters were: first, 2; second, 3 (first touchdown coming after two minutes and 36 seconds of play following the kickoff); third, 3; final, 2.

The line-up was as follows: Grants Pass—Barnes, right end; Billick, right tackle; Bryan, right guard; McCargel, center; Barnes, left guard; Lacy, left tackle; Hendren, left end; Smith, quarterback; Remer, halfback; Willis, halfback; Crockett, fullback.

Ashland—Wentner, right end; Leach, right tackle; Thornton, right guard; McCargel, center; Barnes, left guard; Chapman, left tackle; Woods, left end; Nelson, quarterback; Clark, halfback; Beeson, halfback; Hobson, fullback.

Referee—Quick, of Grants Pass. Umpire—Narragan, of Medford. Head line-man—Wright, of Central Point.

Klamath Falls Is Defeated—Medford High was met with little opposition by the Klamath Falls football eleven Saturday afternoon, if the results of the score can be accepted. The game ended in Medford's favor, 34 to 0. Ashland was able to annex 20 points, holding the visitors scoreless, here last week. With the defeat of Grants Pass, 68 to 6, and Medford 74 to 0 victory over the same team, the interest in the coming Ashland-Medford contests is becoming keener with every

BLOW IS DEALT FOREIGN SHIPS BY JUDGE HAND

GOVERNMENT HELD RIGHT IN KEEPING LIQUOR OUT OF U. S.

STEAMSHIP COMPANIES APPEAL SUPREME COURT

Denial of Injunction Arouses European Liners; Later Ruling Modified Decision to Some Extent; Will Demand Large Bond.

NEW YORK, Oct. 23.—Federal Judge Hand has decided in favor of the government on the Daugherty ruling on the ship liquor question. He upholds the right of the government to forbid the carrying of liquor on ships of American registry and to prevent foreign owned ships from bringing liquor within the territorial waters of America.

The decision carries with it a denial of the injunction asked by the Cunard, Anchor, French and other steamship lines. The steamship companies state they intend to carry the fight to the United States supreme court for a ruling.

Judge Hand ruled that foreign ships might carry on an eastbound voyage sufficient liquor to provide the necessary crew rations. The decision would prevent foreign ships leaving America carrying liquor for sale over the hampert to passengers. Judge Hand says the plaintiffs have no case. He will also exact a bond of \$25,000 conditional against use of liquor stocks save as crew rations.
