## CALUMET The Economy BAKING POWDER

It has no equal regardless of the price you pay. It is used by the majority of American housewives. Its sales are over one hundred and fifty per cent greater than the next largest selling brand of baking powder. Buy it—try it—use it.

A pound can of Calumet contains full 16 ounces. Some baking powders come in 12 ounce instead of 16 ounce cans. Be sure you get a pound when you want it.
