## LOCAL ELEVEN DEFEATED 14-2 ARMISTICE DAY

### FIGHTING SPIRIT COMES TO ASHLAND TOO LATE IN CONTEST

### RETURN GAME PLANNED FOR THANKSGIVING DAY

Coach Hughes' Men Determined That Victory Will Perch on the Red and White; Saturday Game Attended By Immense Crowd.

Out-pointed, but not out-played Ashland high school lost to Medford high school on the Holly street grounds in Medford Armistice day, by a score of 14-2. One of the largest crowds that ever witnessed a gridiron contest in southern Oregon was in attendance.

Medford's first score came on the first play in the second quarter, when the ball had been advanced to the 13-yard line, on an end run. A pass, preceded by a punt and a combination of plays, resulted in the final tally for the red and black. Both attempts at converting were successful.

During the first half of the game, though the red and white line was twice crossed, the ball was in Medford territory. The second quarter developed into a punting match, Medford having the advantage in the kicks, the footwork of Neff proving excellent, his toe directing the oval for many yards. The kick-offs of Medford were also good.

Ashland did not really play football until the final canto when a classic demonstration of the gridiron sport was presented for the approval of the fans. Time after time, the Ashland backs plunged through Coach Durno's men for consistent gains. The local team was far superior in physical condition, time-out not being called once. The whistle was blown at intervals while a red and black man recovered his wind.

Ashland left the field possessed with a greater fighting spirit than was possessed when the game started. Several of the players, though tired and muddy, would have been glad of an opportunity to play a return game upon the field immediately.

Coach Hughes' eleven found itself too late in the game to benefit by scoring, but when the two teams meet here Thanksgiving day, it is predicted, one of the greatest struggles on a football field in this section will result. Ashland is out for victory, and if eleven fighting mole-skin clad warriors can accomplish it, the laurels of the sport will rest upon the Granite City team on November 30.

Lineup—Donovan, L. E.; Stockham (captain), L. T.; Nicholson, L. G.; Stewart, C.; Bateman, R. G.; Dressler, R. T.; Watson, R. E.; Neff, F.; Beeney, Q.; Singler, L. H.; Baughman, R. H.

### PEANUT VENDOR NOW FACING CHARGE FOR SHOOTING YOUNG LAD

PORTLAND, Nov. 13.—When small boys surrounded his peanut wagon demanding popcorn and peanuts, Partab Hari, a Hindu, driver of the wagon, flourished a revolver and fired. Norman Repp, 11-year-old son of John Repp, was struck in the chest by a bullet.

Hari is held without bail. He says the gun was discharged accidentally and he did not mean to shoot, but only to scare the boys. The lad is seriously wounded, but is expected to live.

Headquarters have been established in the chamber of commerce rooms, with Mrs. Arthur Wicks in charge. Booths have also been placed in the banking institutions of the city. The campaign will close at 2 o'clock Saturday afternoon, November 18.

Those who are working in the city, especially in the business houses, are asked by the ladies of the Red Cross to take out their memberships with the solicitors who call at the residences.

### LARGE TARRYING MEETING HELD AT BAPTIST CHURCH

The largest tarrying meeting yet held in the Baptist church took place last Friday night. The room in the basement that has been set apart for these meetings was crowded to suffocation, and the other rooms were also well filled. Five persons received their baptism, and many others were under the wonderful power of God. The meeting was conducted by and under the leadership of Miss Evelyn Carvell, from Yreka, who arrived the evening before.

Miss Carvell left Saturday morning for Albany, where she will assist Dr. Price in the capacity of chief soloist, and in the healing line in his meetings at that place.

The Sunday morning service was soul inspiring and impressive in the extreme. The scripture reading was Galatians, fifth chapter.

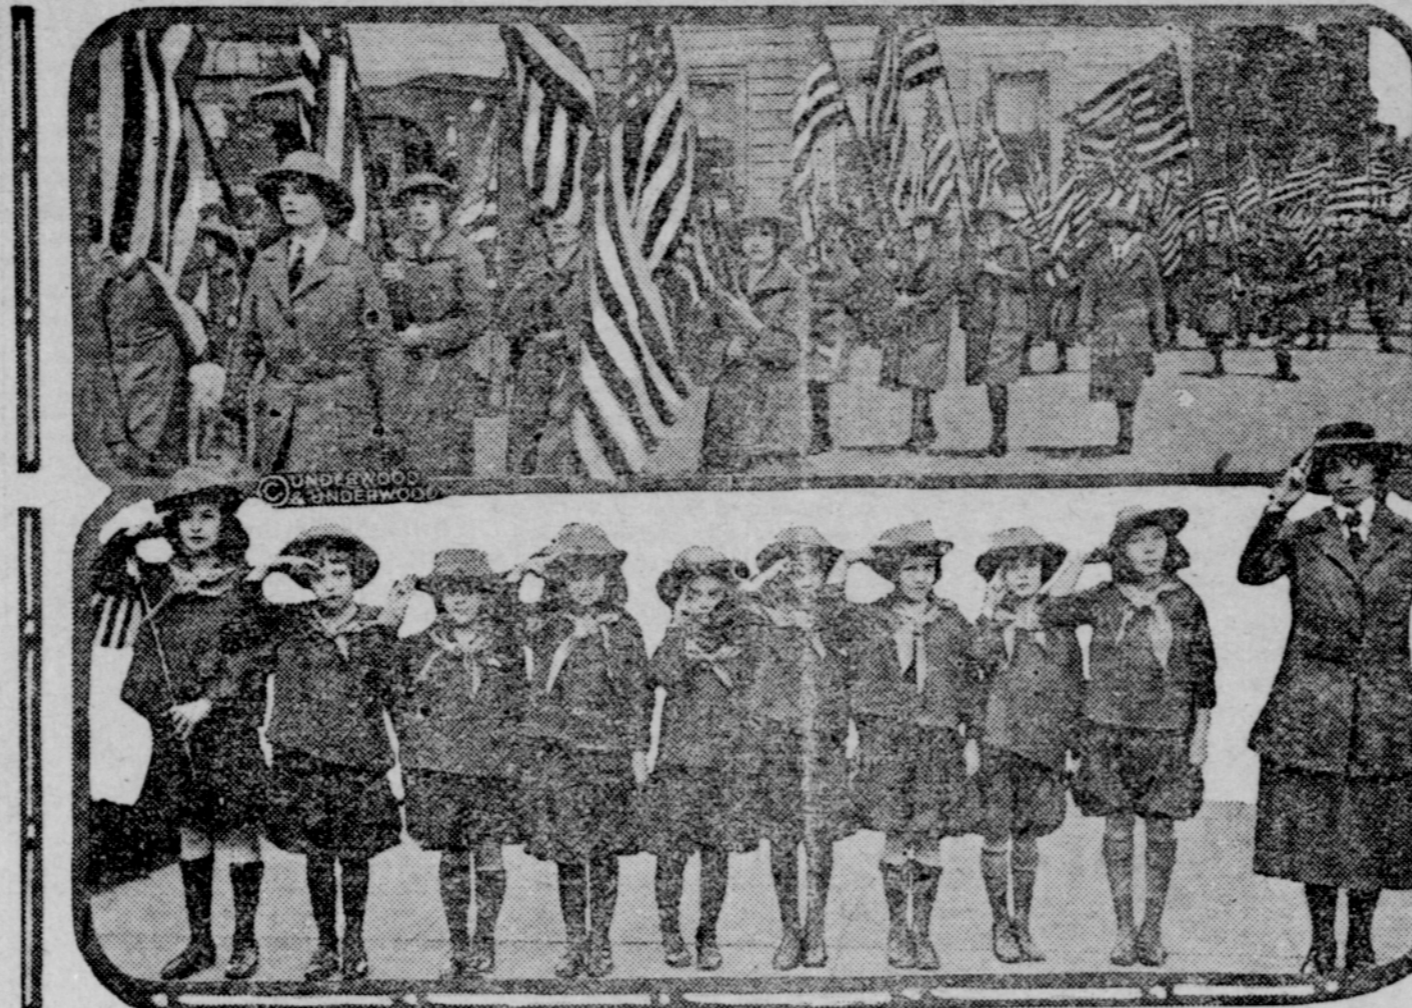

After the sermon a seat was reserved on the platform for Paul the apostle, from the First church at Antioch. The unique manner in which he was received was most touching. He was questioned by the pastor as to his conversion, as he lay in the dust by the roadside, and if he really saw the great light, and if he really was blind for three days and nights, and if he really was in a trance, and if he really felt the power of the Holy Ghost and talked in other tongues, and if he really commanded us to do the same; all of which questions being answered in the affirmative, he was immediately voted into the church by acclamation.

The audience was moved to tears at the close of this scriptural as well as unique ceremony and its religious interpretation. The pastor himself was overcome with emotion for the moment.

The ordinance of baptism by water was performed by the pastor at the close of the evening service. Four persons followed their Lord by this rite in the baptismal font.

This is Better Speech Week. What will you do for it?

### Girl Scouts Open Their National Week

### PROBE BEING MADE INTO 2 COLLISIONS IN COLUMBIA RIVER

ASTORIA, Or., Nov. 13.—An investigation is under way to determine the cause of two collisions in the Columbia river yesterday which resulted in the sinking of the steam schooner "Halco," lumber laden for San Pedro, and the tug "Cricket," en route to St. Helens with a sand barge.

The "Halco" was sunk between here and Altoona, Or., in a collision with the motorship "Challambra," carrying lumber from Portland to South America. The "Halco" swerved off her course when caught in a suction caused by another passing vessel.

The tug "Cricket" sunk near Warrior Rock lighthouse, not far from St. Helens, by the McCormick steamer "Wapama." Two members of the crew of the "Cricket" were knocked overboard and were rescued by a boat from the "Wapama."

### PIERCE GRATEFUL TO TWO LOCAL MEN

Two local men who took an active part in the recent state election have received words of appreciation from Walter M. Pierce, governor elect of Oregon.

Following is the correspondence from La Grande:

(Telegram)  
La Grande, Ore., Nov. 9, 1922.  
Jesse Winburn,  
Hotel Benson,  
Portland, Ore.

Words cannot express my appreciation of you. My campaign lacked strength until you came into the game. After the Albany meeting, I could feel sentiment grow. You did more than any other one man. You made victory possible. Many, many thanks. I shall do my very best.

WALTER M. PIERCE.  
(Letter)

Mr. Bert Moses,  
Ashland, Ore.

My dear Bert:  
Mighty nice of you to telegraph me and mighty nice of you to do what you have for me in the late campaign.

You are one of the greatest characters that I ever met. I know that many of the words put into my statements came from your fertile brain. I will always feel that the accidental meeting at Ashland had much indeed to do with my election, because you made possible the contribution from our mutual friend Mr. Winburn and its profitable use. I hope always to keep in touch with you. You are certainly an inspiration.

Very truly yours,  
WALTER M. PIERCE.

### ASHLAND BOXER BESTED AT ARMISTICE DAY FESTIVITIES

Two knockouts featured the Armistice day boxing bouts at the Natatorium in Medford, while the main event of 10 rounds ended in a draw. Both of the local fight artists took the count, "Kid" Coovling hearing the birdies sing in the third round, and Burnie Burnett in the second.

In the main event between Tom Sharkey, Medford, and Bud Fisher, Portland, the visiting fighter had the advantage in the fourth and sixth rounds, while the seventh was decidedly that of Sharkey's. The remainder of the go was even between the two.

Sharkey was the heavier of the pair, weighing 170 pounds, while his opponent tipped the scales at 155. A large delegation of Ashland fans occupied the ringside.

### S. P. PLANS CONSTRUCTION OF MUCH NEW EQUIPMENT

Immediate construction of 7000 freight cars to cost more than \$8,000,000, has just been authorized by the executive committee of the Southern Pacific company, it was announced recently by President Sproule. This new freight equipment, which will be delivered during 1923 does not include refrigerator cars for handling perishables, as the company's supply of refrigerators is provided by the Pacific Fruit Express company, in which the Southern Pacific owns a one-half interest.

The new equipment program of the Pacific Fruit Express company, soon to be announced, will add a substantial number of refrigerators to the 21,598 the Pacific Fruit Express company now owns. The addition of these cars to the Southern Pacific's present supply will materially benefit Pacific coast shippers.

The purchase of this new rolling stock is in line with the established practice of the Southern Pacific company in maintaining the highest standard of transportation service for its patrons. Plans for the construction of these new cars for the Southern Pacific are nearing completion and it is expected that a large portion of the new rolling stock will be built on the Pacific coast with Pacific coast materials and labor.

### SUPREME COURT MAKES HISTORY BY ITS RULINGS

#### NATURALIZATION OF FREE WHITES AND AFRICANS NOT MODIFIED

### WASHINGTON COURT IS UPHELD IN DECISIONS

#### Japanese Not Entitled to Citizenship Nor Land; School Children Must Comply with Legislation and Ordinances; Long Controversy Ends.

WASHINGTON, Nov. 13.—Epoch-making legislation has been handed down by the United States supreme court. It holds that the statute limiting the naturalization of free white persons and Africans or those of African descent has not been repealed or modified by subsequent legislation, and also that the Japanese are not of the Caucasian race.

The court affirmed the Washington state courts in their holding of this opinion. Another decision the court affirmed was that of the Washington state courts in denying Japanese articles of incorporation for a Japanese state holding company, on the grounds that Japanese are not entitled to citizenship by naturalization.

The supreme court upholds the validity of the legislation and city ordinances compelling the vaccination of children against disease as a school entrance requirement. The decision was handed down in the case of Rosalyn Zucht high school girl of San Antonio, Texas, who sued the health authorities for damages for barring her from school.

SAN FRANCISCO, Nov. 13.—Attorney General Q. S. Webb, of California, says the Japanese decision "puts at rest contentions of Japanese that they are under American laws and eligible to citizenship."

### VIOLET HERBERT HONORED AT PRETTY SURPRISE SHOWER

At the home of Mrs. Walter Kittredge on Saturday noon, a luncheon and surprise shower was given for Miss Violet Herbert, whose engagement to R. N. Chaney has been announced. Assisting hostesses with Mrs. Kittredge were Mesdames H. J. Carter, Eric Weren, and Miss Hazel Bruner.

The dainty three course luncheon was served at two long tables which carried out the color scheme of gold and green used over the house. On the honor guest's table, a miniature bride in bridal veil and orange blossoms, and a groom in conventional black, led by six dainty bridesmaids in fluffy gowns, marched beneath a shower of golden caryanthemums. The place cards were decorated with golden butterflies hand painted by Miss Bruner.

During the afternoon, a stunt wedding was programmed. Mrs. Harry Harrison, in clerical attire, read the fun-provoking ceremony. Miss Wattenbarger made a most handsome groom and Mrs. Walter Herndon with a wedding veil suspiciously resembling a lace window curtain, coyly clung to the groom's arm and carried a huge bouquet of golden caryanthemums. Mrs. John Dill, as flower girl in a yellow crepe paper creation, scattered blossoms in the path of the happy couple.

A dainty comfort was tacked for the bride-elect, and a lot of fun tied in with the knots.

The shower included a number of beautiful gifts.

The guests, who are intimate friends of Miss Herbert were: Mesdames Walter Herndon, Vella Baughman, Ralph Billings, Harry Harrison, J. R. McCracken, John Dill, James Lennox, Homer Billings and the Misses Minnie Beaver, Ada Hartley, Ruth Porter, Blanche Linebaugh, Elizabeth Lennox, Wattenbarger, Berna Haight, Jean Anderson and Herbert.

This was the first of a series of parties which will be given for Miss Herbert. On Monday afternoon of next week, Mrs. J. R. McCracken and Mrs. James Lennox will entertain for her at the home of Mrs. McCracken in Valleyview.
