ASHLAND, OREGON, FRIDAY, DECEMBER 1, 1922

No. 76

ASHLAND HURTS M. H. S. FEELINGS BY ITS PROTEST

CANCELLATION OF GAME MADE BECAUSE WORD WAS DOUBTED

UNFAIR ATTITUDE IS ASSUMED BY MEDFORD

Football Contest Scheduled with Forest Grove Before Athletic Relations with Local School Were Severed; Hearing Set for Dec. 9.

Ashland was not notified in time Wednesday to arrange for another game for Thanksgiving, and the only full account of the cancellation was carried by the Medford paper. The following statement is Ashland's account of the controversy, and was compiled by local school authorities:

"Medford high school authorities cancelled the Thanksgiving day football game at 2 p. m. the day before the contest. The reasons given by the Medford school men were that Ashland had protested two of the Medford players and that the Medford school did not care to have athletic relations with a school that would doubt their word. The two teams had met in their first game at Medford, November 11, the Medford team winning 14 to 2.

"On Monday before the Armistice day game, Ashland, filed a protest against two of the Medford players. Mr. Mishler, of Grants Pass, secretary of the State Athletic association, notified Medford of the protest and made inquiry as to the eligibility of the protested players, though no decision was rendered. Following the game in Medford, the Ashland school then completed their protest, and followed the directions of the rules and regulations of the state board and mailed copies of the protest to the president, vice-president and secretary of this board.

"Late last week, Ashland was instructed by the president of the association that it would be impossible to have the hearing before Thanksgiving, and to play the game with the two protested players in the Medford line-up. On Tuesday of this week, both Medford and Ashland received notice from the secretary of the association to meet in Salem, December 9, where the matter would be taken up for a decision. The next day at 2 p. m., Ashland received a telegram from Medford stating that the game was cancelled, and that athletic relations between the two schools were severed.

"This game was cancelled too late for Ashland to bring another team, though schools as far down as the Willamette valley were approached. Medford arranged another game with Forest Grove, before cancelling the game with Ashland.

"The state association has made provision by which one school can protest the players of another school if they feel any member of the opposing team is not eligible. If the grounds for this protest are definite enough, the state board sets a time for a hearing, and this board shall make all decisions.

"This is the first official protest Ashland has ever made against a Medford player. Last year, Medford filed a protest against Ashland's basketball floor. The matter was decided by the state board in Ashland's favor. Medford investigated some of the local players, but found no grounds for protest. Two years ago, Medford had to forfeit one game and cancel another due to playing two men over age and another who was ineligible. Klamath Falls, and not Ashland, filed this protest."

Hi-Y Boys Disappointed

Six of the Hi-Y boys of Ashland high school are very much disappointed today over not being able to attend the older boys' conference that opened in Eugene today for a three-day session. The boys were supposed to go in a machine with Robert High. Due to mechanical troubles, the machine refused to run this morning, and the boys could not be notified in time to permit them making the morning train. Those who were supposed to attend the convention are Marshall Barber, John Gale, Donald Wright, Ralph Robinson and Dale Leslie. Cash Wood, county Y. M. C. A. secretary, was also in the party. The other delegates left on time for Eugene.

GIVING PETE LUNCH

One of the most popular figures around the White House in Washington is Pete, the squirrel, who is here shown taking his luncheon from the mouth of a newspaper man. Pete has been trained to do many stunts.

TOURIST CAMP ENDS SEASON IN FINE CONDITION

OFFICIAL CLOSING OF LITHIA AUTO PARK IS MADE TODAY

NEARLY 5000 MACHINES STOP HERE OVER-NIGHT

Majority from California; Revenue Derived from Small Fee Exceeds Operating Costs, Says Doran; New Community House Needed.

Ashland's tourist and auto park camp has been officially closed for the year as far as management under the park board is concerned, the notice going into effect today, according to J. H. Doran, who has had charge of the camp grounds. The grounds will be kept open and tourists permitted to stop there over-night. Mr. Doran's son has received instructions from the park board to collect the customary fee, which he will be allowed to keep in lieu of wages for care of the grounds.

During the time the local auto park was open, a total of 4835 machines were registered, coming from every part of the United States. The greatest number of these were California owned machines, with Washington and Oregon next in order. Montana, Idaho and Canada followed respectively.

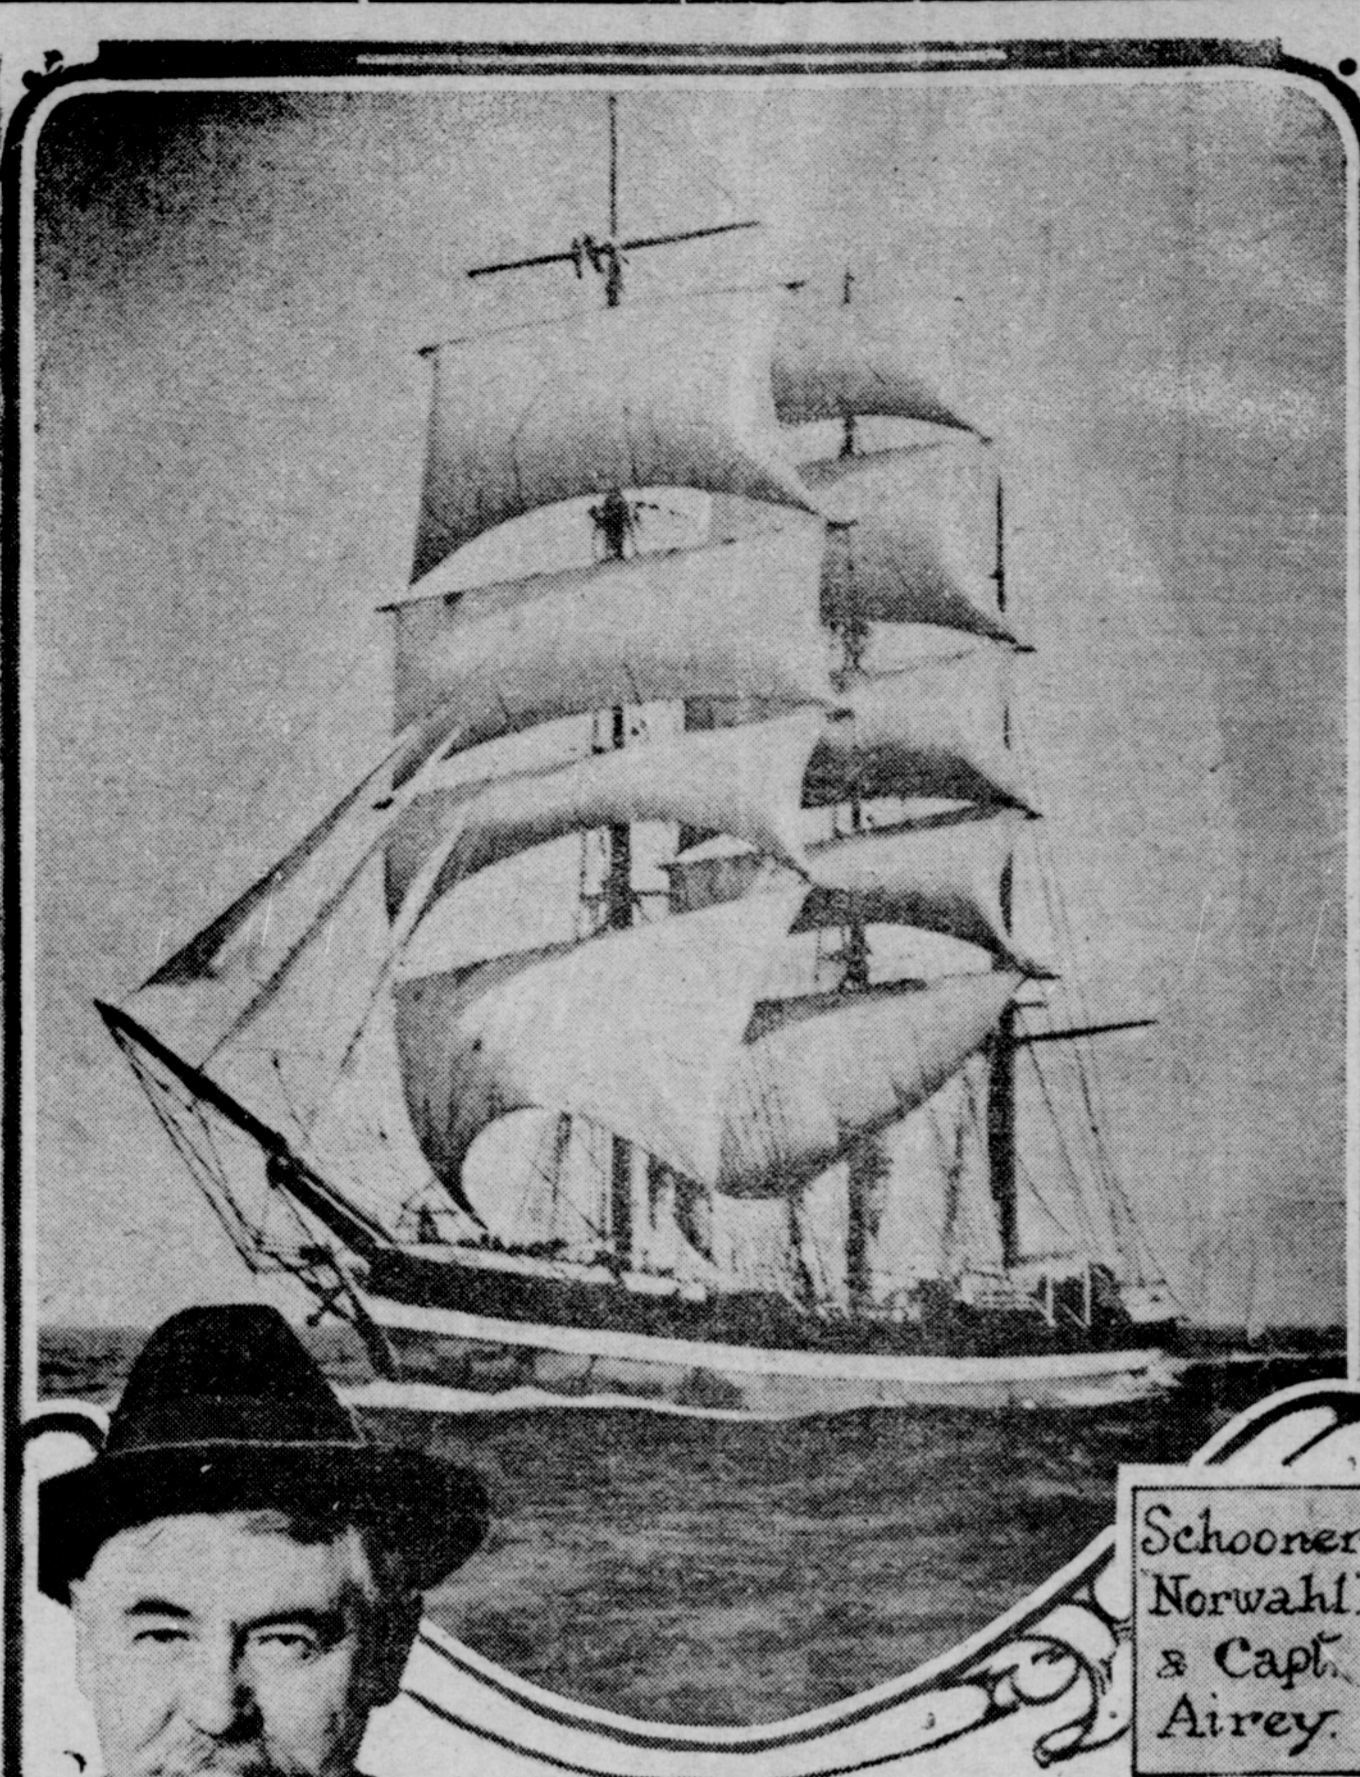

Between April 22 and December 1, the period the camp was open, approximately \$3450 was received by Mr. Doran from tourists for the privilege of stopping. This amount includes the item of gas, which was \$250. The park board is not ready at this time to submit figures on the expenses of keeping the park open, but these will be under the receipts, and a nice margin of profit will be made.

"All of the complaints received during the season were minor in nature," Mr. Doran said today, "and these were few in number. I remember one party in particular that stopped at the camp early in the spring, and complained about the 50 cent fee. The same party stopped over night in the park on the way home later in the season, and stated they had been converted to the idea of such a charge.

"The general intelligence of the tourists was above that of the average in general throughout the country. There were an unusually large number of bankers, professional men, college professors and university presidents this year. Such features as the pictures shown during the height of the season, the storytelling contests, for which I offered a prize of a watermelon, which we all joined in to help consume, and singing were very greatly enjoyed by the visitors.

"The camp grounds are in excellent shape, though there is still one need—a new community house, which I am positive will pay dividends. The park in itself and its equipment is one of the finest along the coast, but the present community house does not do it credit. We need a suitable place in which to enjoy the splendid talent that stops at the camp."

TO ROAM SEAS IN SEARCH OF ROMANCE

San Francisco Party to Sail in Tropic Waters in Quest of Sea Adventure

SAN FRANCISCO, Dec. 1.—Captain Charles Airey proposes to prove that romance of the sea is not dead. Twenty partners are to assist in proving it. The proof is to be supplied in de luxe fashion.

Sailing from San Francisco, shortly before the first of the year, the good schooner Norwahl, a three-masted square-rigger, will carry the searchers for romance de luxe. The vessel goes on a year's cruise.

Each of the 20 partners supplied \$1500 of the capital to launch the enterprise. The partners are to man the ship, with the exception of the galley, in which expert cooks are installed, and the more or less technical posts requiring expert seamen.

SEVEN LIVES LOST DURING BIG STORM OVER GREAT LAKES

CALUMET, Mich., Dec. 1.—Seven lives are believed lost and 20 members of the crew were rescued by coast guardsmen when the coal carrier "Maplehurst" went to pieces in a fierce gale three miles west of the Portage Lake ship canal. The storm drove to shelter all shipping near the coast.

The "Maplehurst," owned by the Canada Steamship company, was unable to make any port. Captain Nelson Barnard went down with the ship, also Chief Engineer Dunn, First Mate Frank Smith and four members of the crew. Men who did not jump into the life boats, lost their lives. The seas swept over the "Maplehurst" and rescue work was accomplished in a raging sea. The ship was wrecked. The captain ordered the boat through Lake Superior, believing the seas to be calmer.

SALE OF CHRISTMAS SEALS BEGINS IN CITY TODAY

The local sale of Christmas Seals started this morning. McNair Bros. the East Side Pharmacy and the Library will have seals for sale during the entire month. They will be sold during the Winter Fair and for one week at the post office.

Do not send a letter or Christmas package during the month without a seal on it. Every one you buy helps "fight tuberculosis." Seals sold in our county, amounting to 7 cents per capita, entitles Jackson county to 55 per cent of the county sales for tubercular cases in the county.

COMING EVENTS

- 24 Days Until Xmas. Shop Early.
- December 2—Eastern Star Bazaar.
- December 2—Formal opening Civic Club building.
- December 5-8—Winter Fair.
- December 16—Stewart Long, lecturer, Lyceum course.
- December 22—High school operetta, "The Captain of Plymouth."

ASHLAND WOMEN GIVEN INVITATION

Every woman in Ashland is invited to attend the formal dedication of the new Civic Club building Saturday, December 2, at 2:30 o'clock. Mrs. Ida B. Callahan and Mrs. Sadie Orr Dunbar will be the principal speakers. Mr. Jesse Winburn, to whose generosity Ashland owes this beautiful building, will be a guest of honor.

In the evening there will be a reception from 8 o'clock until 10, with former presidents in the receiving line.

An exhibit of Japanese prints will be the principal attraction for the next regular meeting of the Civic club at 2:30 o'clock, Tuesday afternoon, December 5.

Baby Boy Arrives

P. D. Sargent is stepping high today as the result of the arrival of a fine 10 pound grandson, the youngster having arrived at the home of Mr. and Mrs. Swihart, on Mountain avenue, early this morning. Mother and son are both doing nicely.

SUPREME PENALTY PAID BY MAHONEY FOR KILLING MATE

WALLA WALLA, Wash., Dec. 1.—James E. Mahoney, confessed murderer of his wealthy and elderly wife, Kate Moores Mahoney, was executed at the state prison here at 7:02 o'clock this morning. Six minutes later, the prison physicians, Dr. W. F. Ingram and Dr. O. J. Lindquist, pronounced him dead.

He ate well last night, and also had a good breakfast, and retained his composure throughout. Mahoney, who had formerly been a Catholic, re-embraced the faith and received the last sacrament just before going to the scaffold.

Three men pressed the buttons, but six witnessed the hanging. Convicts carried Mahoney's body out, which will be buried at the Snohomish, Wash., in the family plot.

NORTHWEST FOOTBALL CLASSIC ENDS IN TIE

Selection of the northwest football team to meet an eastern team at Pasadena on New Year's day will probably be made through comparative scores, as a result of the tie game played Thanksgiving day between the University of Oregon and the University of Washington, during the annual homecoming celebration of the Puget Sound institution. The contest ended with a score of 3 to 3.

Oregon is a favorite in the south, and since California has declined to play, will probably be given the invitation.

Medford High School defeated the Forest Grove aggregation by a score

LEGION'S NEW CHIEF

Alvin Mansfield Owsley, national director of the Americanism commission of the American Legion, who was elected national commander of the Legion at the New Orleans convention.

PURCHASE FUND FOR AMBULANCE GROWS SLOWLY

ADDITIONAL CHECKS RECEIVED AT ASHLAND TIDINGS OFFICE TODAY

COMMUNITY IS URGED TO BACK PROPOSITION

Increase in Fund Is Steady with Receipt of Several Contributions; Checks Should Be Made Payable To the Ambulance Fund.

Slowly but surely the recently born community spirit is manifesting itself, and more contributions for the purchase of a community ambulance to add to the equipment of the Community hospital are being received.

As was previously announced in the Ashland Daily Tidings, this purchase is one in which every business firm and citizen in the city should have an interest. The ambulance will not be the property of an individual, but of individuals, and for this reason it is desired that as many as possible contribute to the cause.

Checks from several of those who stated they would contribute to a fund for the purchase of a community ambulance were received at the Tidings office today, and have been properly directed into the special fund. Those who came to the office today with their checks were the Ashland Daily Tidings, \$100; Jesse Winburn, \$100; Dr. George Jarvis, \$100; Bert L. Moses, \$50; C. L. Loomis, \$5, and W. S. DePeau, \$1. Since the first list of contributors was announced, H. G. Enders Sr. has stated his intentions of contributing \$100 to the ambulance fund. Others who have not yet turned their checks into the office are Dr. Woods, \$100; Dr. Swedenburg, \$100; G. S. Butler, \$100; J. P. Dodge & Sons, \$100; Murphy Electric company, \$25, and O. A. Paulserud, \$25. The list is gradually growing larger and the margin between cash in hand and the cost of the ambulance smaller.

All contributions should be made by check and payable to The Ambulance Fund, and left at the office of the Tidings. Names of contributors will be printed daily.

Buys Fine Cockerel—Bert Freeman, of the Union Oil service station, received a fine six months old cockerel from the Crewdson Trapnest farm, of Santa Cruz, Calif., this week, which set him back \$35. Mr. Freeman is growing gradually into the chicken business and is getting some of the best White Leghorns obtainable, and expects to have stock equal to the best in the city by the end of another year. In order to be better able to take care of his poultry, he recently took a course in all the major subjects of poultry husbandry at O. A. C.

Spends Day in Medford—Mrs. Max GeBauer left early this morning to spend the day in Medford. Mr. GeBauer, who makes the trip daily, recently purchased, in connection with Mr. Coffman, the Valley Candy company.

MANY FEATURES TO BE OFFERED AT WINTER FAIR

PROGRAM CONTAINS VARIETY OF SPEECHES, MUSIC AND STUNTS

ASHLAND RESIDENT TO GIVE OPENING ADDRESS

Prof. Vining, Gifted Orator, to Speak on Oregon's Development Program; Other Splendid Talkers Will Appear During Fair Days.

The program for the Winter Fair, December 5 to 8, promises to be one of great excellence with a variety of features, including addresses, music and educational numbers, all given by authorities and experts.

Three of the best speakers in the northwest are scheduled for addresses. Prof. Irving E. Vining, of Ashland, will deliver the opening address Tuesday evening, having selected as his topic, "The Program for Oregon," which is in line with the activities of the state chamber of commerce, of which he is a director. Prof. Vining is recognized throughout the Pacific northwest as a splendid orator and one of the best equipped men in this section of the country.

Prof. Greenleaf, another resident of the Rogue River valley, and who has the reputation of being one of the best monologists in the country, will give a splendid program full of humor, fun and pathos. Frank Branch Riley, with his wonderful illustrated lecture, on "The Lure of the Great Northwest," will be present. He also has an excellent reputation as an orator and entertainer.

Speakers from the Oregon Agricultural college at Corvallis will be in attendance during the exposition, and will talk on topics pertaining to poultry and fruit in southern Oregon. Special talks are planned by Prof. H. E. Crosby, poultry expert, and Prof. Jamison, dairy expert, during the Winter Fair.

Music for the Winter Fair will be furnished by local organizations, which include the Ashland band, the high school band, high school orchestra and the high school glee clubs. Vaudeville stunts will be scattered through the program.

Tickets have been placed on sale at a very low figure in order that all might be able to afford the many attractions offered, and are high enough only to defray the actual expenses incurred during the Winter Fair.

Secretary Fuller of the chamber of commerce asks that the merchants along the street set up the evergreens at the posts and other places where they have been left, as help cannot be obtained to do this work. Much decorating remains yet to be done in both the Armory and Natatorium buildings, and additional assistance is needed to put them in shape. Every one who can arrange to help out on either Saturday or Monday is urged to come to the Armory in the morning.

YOUNG PEOPLE MARRIED AT HIGH NOON THURSDAY

Miss Daisy Graener and Mr. Stilson, of eastern Oregon, were married at high noon Thursday, at the home of Mr. and Mrs. Julius Koch, 387 Laurel street.

Mrs. Stilson is the daughter of Mr. and Mrs. A. Graener, of eastern Oregon, and is a highly accomplished young lady with a host of friends, while the young man is an overseas veteran and quite prominent in his home community in the eastern part of the state.

After many well wishes from their friends, Mr. and Mrs. Stilson left on a short auto trip to California, after which they will return to Ashland and probably spend the winter here.

Those present at the wedding and the dinner which followed, besides the bride and groom, were Mr. and Mrs. Derick and daughters, Gladys, Ruby, Ada and Grace, Mrs. A. D. May, Mr. and Mrs. Julius Koch and Mr. M. C. Smith.

Spends Day in Medford

Mrs. Max GeBauer left early this morning to spend the day in Medford. Mr. GeBauer, who makes the trip daily, recently purchased, in connection with Mr. Coffman, the Valley Candy company.
