Kicks on Advertising—

H. C. Hamaker came to the Tidings office this morning and registered a kick about the results obtained from an ad placed in the paper a few days ago, stating that he had chickens for sale. Mr. Hamaker said the trouble was people continued to come for a day or two after the chickens had been disposed of. This is generally the only dissatisfaction found with the Tidings want ads.

The Day Before You Need Help

After you are sick you can call a doctor. After you are in trouble you can call a lawyer. But after a fire, an accident or a theft you cannot call an insurance expert. HE can only help you BEFORE you need him. Insurance prevents your needing help. It prepares the day before an eventuality. TODAY, when all is WELL, you need to arrange your insurance. We should be glad to talk with you on any insurance matters. May we talk with you TODAY?
