The Spirit of Christmas

That genial spirit who hovers over the earth during the Christmas season, scattering his cheer and good will among us mortals with a lavish hand, will soon make his yearly visit.

And who among us can resist the glow of good-fellowship and the impulse to wish anyone we may happen to meet, "A Merry Christmas and Happy New Year," that the holiday season carries with it.

But the real pleasure of Christmas lies in the gifts with which you remember your friends, and if you would enjoy shopping for them, this store is the place to come. Here the cheery holiday atmosphere prevails, accompanied by a desire to render helpful service to you in the choosing of your offering to The Spirit of Christmas.
