GRANTS PASS NINE HAS TEAM OF HEAVY HITTERS

When the Ashland bat busters tackle the Grants Pass nine today, they will have quite a job carved out for them judging from the record which the Grants Pass nine has made so far.

In a game with Glendale, recently, Jud Pernoll, who has played in the valley for five years, and is recognized as a top notcher, made five hits in five times to bat, including a home run, a three bagger, a two bagger and two one base hits. This sort of a record is hard to beat, and when that has a pitcher who allows only six hits in a game, as Coburn did, it seems that Ashland will have to do some heavy slugging and accurate fielding to carry off the game.

ALL TIRED OUT Hundreds More in Ashland in the Same Plight.

Tired all the time; Weary and worn out night and day; Back aches; head aches. Your kidneys are probably weakened. You should help them at their work. Let one who knows tell you how.

Mrs. C. P. Newton, 77 5th St., Ashland, says: "I am glad to recommend Doan's Kidney Pills as I found them satisfactory when my kidneys were weak. My kidneys were irregular in action and at times my back felt weak and lame. I was run down and felt dull and tired until I read of Doan's Kidney Pills and began using them. They helped me right away and soon regulated my kidneys and strengthened my back."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Newton had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. No. 27

Daily News Letter

LOS ANGELES, July 2.—The oldtime traffic policeman mounted majestically on a fine, well-kept horse may soon be a thing of the past in Los Angeles. Instead, the officers may be deprived of their Dobbins, doff their boots, spurs and leather leggings and straddle bicycles from which they would seek to relieve the traffic jams if plans of President Criswell, of the City Council, are carried out.

In a recent round with the council budget committee Chief of Police Oaks requested an appropriation of \$3,500 for the purchase of 20 additional horses for his mounted squad. President Criswell objected.

"I don't know about that," Criswell said. "In Philadelphia, Brooklyn New York, Baltimore and other large cities I've visited recently I saw many number of policemen on bicycles.

"They wore golf stockings to obtain freedom of leg movement," Criswell declared, and pedaled all over the streets.

"When they would see a traffic jam, they would jump on their bicycles and get in the middle of the street and break up the congestion. After they had finished they would stride their bicycles and go looking for other trouble. It seemed to work fine and would be less expensive to the city."

Councilman Mallard said he didn't think much of the idea and besides he would not vote to put the officers on bicycles and make them appear ridiculous.

"A policeman on horseback commands attention," Councilman Mallard argued. "There is only one trouble about the horses, though. They draw too much attention from the girls. The hoppers feed them candy, and a horse always recognizes a person when he sees her. But bicycle police for Los Angeles—never!"

Chief of Police L. D. Oaks sided with Mallard and said he didn't approve of the bicycle plan. For purposes of further investigation the matter was delayed.

The committee also took under consideration the request of Chief Oaks for the purchase of 60 light and 2 heavy automobiles to answer "hurry calls." The chief outlined a new policy of establishing small police stations, under which every fire station in the city would also provide a precinct police headquarters from which automobiles would be operated on both district patrol and calls. The chief declared he hoped to have the plan in operation soon.

The committee virtually agreed to an increase of the Los Angeles police force of 350 patrolmen for the coming fiscal year, starting July 1. The additional patrol-

men will be assimilated in the department by addition of 50 monthly, beginning this month. An addition of 150 officers to the local force was made recently.

Watermelons for the 4th, Plaza Market. 256-2

ALBANY, Ore., July 2.—Posses are still hunting for Ruile Johnson, who with George Parker escaped jail here lately. As yet, no trace has been found of Johnson. The men are charged with the first-degree murder of Sheriff Dunlap on May 21. Parker was captured a few minutes after his escape.

How do you buy oil? Your judgment in buying oil will give your motor short life or long life. You insist upon distilled water when you want the purest water for your battery. Because distillation removes the impurities. That's why you should insist upon SUNOCO THE DISTILLED OIL Most oils are a compound of light oils and heavy "cylinder stock." Sunoco is not a compound but a pure, wholly distilled oil, and it's made in six types. One is best for your car. It will not break down as most oils do; better lubrication, longer life for your motor. More power because Sunoco makes a piston ring seal that prevents power leaks. Try Sunoco. Have one of these dealers fill your crank-case today. Ask him or write us for booklet, "What's Happening Inside Your Motor?"
