For sale, lounge, sewing machine. 178 Skidmore.

CIVIC CLUB PROUD OF ACCOMPLISHMENT

(By M. E. D.)
The month of August of this year will go down in Civic Club history as the date of two achievements; one of the most beautiful demonstrations of community spirit ever manifested in Ashland, and the securing of funds for buying fuel to make comfortable the beautiful club home the coming winter.

Never have the people of Ashland rallied to the call for a civic affair as did the children, young folks, and folks of all ages and walks in life, to the call of our president, Mrs. L. M. Wright, for over two hundred persons to make up the cast of the pageant and musical extravaganza, "A Night in Dreamland," and for workers in all quarters.

And never has a stranger come to town as did Mr. Jay Wellington, the director of the pageant, and been the instrument of bringing about so much goodwill and understanding between the people of our town and at the same time given such excellent training to so many. He came a stranger and he left beloved by hundreds.

The three weeks of rehearsals when the club house doors were flung wide were gala weeks. Camping trips were given up with joy by youngsters that they might have the pleasure of being in this community affair. Hundreds attended rehearsals and many acquaintances were made and friendship strengthened.

The Chautauqua stage was never so artistically or elaborately decorated. The back of this exquisite setting was the fact that the hundreds of pink and white paper flowers used were made evenings at the rehearsals by folks who came eager to help toward the success of the pageant.

The financial returns were most gratifying. The expenses of putting on the pageant was remarkably nominal because of Mr. Wellington's efficient management and his sincere desire to be helpful. John Lino, his assistant, certainly did his part too.

The faithful women who have baked cakes and done all manner of things to make money toward club expenses appreciate most, perhaps, the financial success.

To the children, grown folks, business folks, our daily paper, and every person who contributed time, money, and a helpful spirit the Civic Club members most gratefully acknowledged appreciation. It would be next to impossible to mention individually those who helped. It was truly a community affair. To Mr. Wellington, who made possible this wonderful community pageant and brought the citizens together in one common cause and left them more closely united in understanding and regard the one for the Civic Club extends gratitude and good wishes and an invitation to return.

GRANTS PASS LOOKS FOR NEW SECRETARY
The Grants Pass Chamber of Commerce directors' meeting Tuesday afternoon, started their search for a secretary for the local organization, following the acceptance of the resignation of Lynn Sabin, who goes to Klamath Falls to take a similar position. The board is looking for some man from out of the state, preferably. The Chamber officials also looked into the matter of the location of an office for the state motor association here. They will make their final decision in this matter the first of next month.

The chamber has decided that quarterly meetings of the entire membership shall be held during the year. These will be evening meetings and will be in addition to the regular forum luncheons which have become a regular part of the chamber's activities. The directors spent some of their time outlining a program for the coming year.

Flowers Wanted—
The Registration Bureau at the Chamber of Commerce has been running short of flowers again recently and has issued another request to the people of Ashland to bring as many flowers as possible to the office as they add greatly to the appearance of the office and the opinion of Ashland which the tourists carry away with them.

PREPARE FOR STATE LEGION CONVENTION

SEASIDE, Ore., Aug. 30.—Legionnaires all over Oregon and in parts of Southwestern Washington are planning on attending the big American Legion State Convention which will be held here September 6 to 8.

The fact that the convention is being held at this popular week end resort and beach is expected to attract thousands of visitors who will come solely to witness the spectacular features and the fun-making. No effort has been spared by the state committee and local committeemen to make the affair one of the most memorable in the history of state legion affairs.

The bathing beauty parade, scheduled for Saturday, September 8, at 4 p. m., promises to be one of the most popular features. Representatives from all over the state will compete and the fairest bathing queen in Oregon will be crowned. Three loving cups have been offered by the Seaside post of the American Legion to the winners.

In the evening the mard, gras carnival will hold the attention of all. "Comical costumes, hard music, noise, serpentine, confetti, paper hats and noise makers," are among the few promises of the committee. It will be an hour of fun-making and revelry as a fitting close to the convention.

George W. Wilbur of Hood River will call the convention to order on Thursday. He is state commander of the legion. He will swing an historical gavel presented to the Legion by a Civil War veteran.

State rifle matches will be held daily at Fort Stevens. They are open to any citizen of Oregon and 20 medals have been donated for the purpose. The American Legion trophy will go to the winning five members of any army post, school, college or military organization in the state.

A military parade will be held Friday morning with Adjutant General George A. White in charge. Speakers during the convention will include Dr. Kate Weller Barrett, national president of the American Legion auxiliary; Senator Charles L. McNary, Governor Pierce and H. E. MacDonald, national secretary La Societe des 40 Hommes et 8 Chevaux, the sunshine order of the American Legion.

MAN LOSES ARM IN QUEER AUTO SMASH
REDDING, Calif., Aug. 31.—Morton A. Good, a farmer living on Chinese Gulch, five miles below Redding on the state highway, lost his right arm at the elbow yesterday afternoon, because he dragged two strands of barbed wire across the road. He and the wire looped over his arm and was standing at the side of the road when an automobile driven by William J. Vail of San Pedro came along. The wire caught in the fore wheels and hind wheels.

Good was dragged along the road fifty feet. Vail stopped his car and gave first aid. Good was taken to the county hospital nearby.

His right arm was cut off at the elbow. A deep gash was cut in his hip and his leg was lacerated. On account of his age of more than 60 years, his recovery is problematical.

Vail reported the incident to the district attorney's office and also to the sheriff. He is held blameless.

Good is a comparatively newcomer to the county. He only recently purchased a little farm where the accident occurred.

NOTICE TO WATER USERS
Commencing Aug. 30, 1923, the use of Water for irrigation of lawns will be an effect. Due to shortage of Water.

The Big Man Some Day
THIS bank is not only interested in big men, but it is even more interested in those who are going to be big men some day. Maybe this is you. Line up with us and let us help you.
The Citizens Bank of Ashland
Ashland, Oregon

IT IS FUNNY
The way some minds work. Take for instance the mental attitude of the man who, hides a \$30.00 watch under his pillow at night, yet he parks his car on a dark street for hours at a time with a \$30.00 spare tire that has no protection.
The number of tires stolen is said to be appalling. The appalling thing is that so few are stolen when the opportunity is so great. Considerably more than half the cars that pass you daily are carrying spare tires and wheels that have no protection.
Every car owner should have at least two pad locks, one for his garage or tool box and one for his tire carrier. We have a full line of the Celebrated
YALE and TOWNE PAD LOCKS
