No. 7 PAINFUL RHEUMATISM SWELLINGS DISAPPEAR Discoverer Tells Druggists Not To Take a Cent of Anyone's Money Unless Allenbu Completely Banishes Rheumatic Pains and Twinges.
Mr. James H. Allen, suffered for years with rheumatism. Many times this terrible disease left him help- less and unable to work.
He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the ac- cumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.
With this idea in mind he consulted physicians, made experiments and ri- tally compounded a prescription that quickly and completely banished every sign and symptom of rheuma- tism from his system.
He freely gave his discovery, which he called ALLENRHU, to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. He has therefore instructed druggists every- where to dispense ALLENRHU with the understanding that if the first pint bottle does not show the way to complete recovery he will gladly return your money without comment. East Side Pharmacy can supply you.

THE HIGH COST OF LIFE AND LIMB

If you were injured by an automobile and had to go through life with a wooden leg, you would feel that you had a claim against the owner of that machine. You may hit a man with you machine some day. Such misfortunes happen to the most careful drivers. Take out a Travelers Au- tomobile Policy. Then if you should injure someone, you can settle up squarely with him without bankrupting yourself.
