LARGE SHARE OF JAP RELIEF FUND SECURED

The sum of \$765 of the \$850 quota assigned Ashland out of the Jackson County quota for the Red Cross drive for the Japanese relief was sent to headquarters today by Rev. K. P. Hammond, the local chairman and he stated that his expectations are that the full quota of \$850 will be subscribed and turned in in a few days.

The money that remains to be turned in or any further donations will be taken by any of the banks, Mr. Hammond states, and urges everyone to contribute all they can at this time. The booths which were set up on the streets on Wednesday proved very effective means of helping solicit the money, Mr. Hammond states and practically everyone was reached by this method.
