How Many People Know—

How many people glance at the clock in the post office when they are in the building many times every day. Does anyone ever wonder who maintains the clock and keeps it going and who makes it possible for the people in Ashland to enjoy the use of the clock, as well as the employees in the post office, who glance at the instrument hundreds of times daily? John Riggs is the man who should be thanked for keeping the timepiece in this public place. Considerable expense is attached to the maintaining of the clock and for several years Wm. O. Dickerson kept the clock before the public. Now, Mr. Riggs has taken the responsibility and few people are aware of the fact.

Cliff Payne makes desks.

Charles S. Mitchell left on the 6:10 train, Thursday, for Portland on a business trip.

Galey Family Return—

Mr. and Mrs. H. C. Galey returned from a northern city motor trip Wednesday evening. After visiting in Eugene with relatives and friends Mr. Galey departed for Portland where he attended the Congregational conference held last week. Returning to Eugene, he and Mrs. Galey motored on to Ashland where they were welcomed home by other members of the family.

Lyman and grand daughter Gladys will leave Friday for a visit with relatives in San Francisco, Los Angeles and Long Beach, where a daughter and grand daughter of Mrs. Lyman's will entertain them. Mrs. Lyman is a resident of Factory street and many friends are glad to know of her opportunity to visit relatives.

Big Carnival Dance at Fair Grounds Pavilion Saturday night. Special music and prizes. 35-2

Jiggs Protege—

Among all the excitement Friday morning, Lawrence Porter added to the hilarity by racing down Main street in company with a frisky white Fox terrier. If we read the funny papers, we would have said, "He's coming Jiggs on it," others said "Where did the dog come from" and "will he ever get back alive." The frivolous flutterers followed down the public thoroughfare and vanished in the region of the park to loiter on the green.

The marriage of Miss Pauline Cliff and Mr. Ray Everhart, which was to have taken place soon, was postponed this week. Word of the disaster reached Miss Cliff soon and she departed immediately for the holdup scene where she joined Mr. Everhart proceeded with the train. Miss Cliff returned to Ashland.
