CONNECTICUT BOASTS OF LOW AUTO SMASH RATE

HARTFORD, Conn., Oct. 23—Railroad trains and autos came together in 36 collisions in Connecticut in the first seven months of the year, the State Motor Vehicle Department announces, killing 3 and injuring 17. Connecticut is lucky, the department believes, for the state has one-eighth of all the autos of the country, and if it had one-eighth of all the crossing fatalities—which total 1820 throughout the land each 12 months—the list here would have been 14 deaths in the 7 months.

The 1923 record is 23 motor vehicles hit by trains and 13 trains hit by motor vehicles, while the 1922 record was 22 machines hit by trains and 7 trains hit by machines.

STANDARD OIL EMPLOYEES TO DINE WEDNESDAY NIGHT

Employees of the Standard Oil company of Ashland with their wives and lady friends, will meet at a gala occasion Wednesday evening with a dinner party given in the banquet room off the Plaza.

The purpose of the dinner will be to make it a friendly get together and get acquainted occasion. This will also be the first banquet held for the glib purpose by the Standard Oil employees and should prove to be popular.

Special guests of honor will include Mr. and Mrs. R. H. Campbell, Standard Oil people from Portland and Mr. and Mrs. W. C. Holmes, from Grants Pass, where Mr. Holmes is a salesman. Other parties will probably follow to fill the dull days of autumn and winter.

SERIOUS BLADDER TROUBLE

"Could not stand nor sit and was forced to cry out from intense pain," writes Henry Williams, Tarkio, Montana. "The doctors said I had inflammation of the bladder and an operation was necessary. Tried Foley Kidney Pills and improved at once. Tell all my friends about Foley Kidney Pills as it will save many from suffering and perhaps as in my case, a dangerous operation." Bladder and kidney trouble demand prompt treatment. Foley Kidney Pills give quick relief. Sold Everywhere.

Emergency Radiator Repair
Leaks in the soldered seams of honey-comb radiators may be repaired in emergencies by inserting a long stove bolt through the air spaces, placing rubber and steel washers on the bolt. By drawing up gently on the nut, the rubber washers will be compressed and thus seal the leak.—Automobile Digest.

ENGLISH COAST BOMBER HAS 1,000 H. P. ENGINE

LONDON, Oct. 23—England's latest coast defending aeroplane, just perfected by the Air Ministry, will shortly undergo her trials.

Her engine is the new Napier Cub engine of 1,000 horsepower and it is stated by her designers that a light

plane could easily be carried on her tail plane. The wing space is 120 feet.
Her speed will be about 100 miles per hour, and she will be able to carry comfortably about two tons of bombs, in addition to four machine guns in the cockpits.

Do you take orders from a Coffee Pot?

It must be humiliating for thousands of people to confess that they lack the will-power to stop coffee.

They know from experience that it results in irritated nerves; keeps them awake nights; makes them nervous. Yet they don't seem to be able to say "no."

If you find that coffee harms you, change to the pure cereal beverage, Postum. You'll find it delicious and satisfying. And it is absolutely free from caffeine or any other harmful drug, so you can drink Postum at any meal, and as much as you want.

Your grocer sells Postum in two forms: Instant Postum (in tins) prepared instantly in the cup by the addition of boiling water. Postum Cereal (in packages) for those who prefer the flavor brought out by boiling fully 20 minutes. The cost of either form is about one-half cent a cup.

Remember?

It isn't such a far stretch for memory to recall the day when you had to wait for a long, clear, cold spell of weather before you could have sausage.

Today?

No wait for weather or seasons. Just telephone your meat dealer.

The delightful tang of October days is made more zestful by a breakfast of Brookfield sausage, made from the choicest morsels of carefully selected pork, blended with spices.

That is but one of the services that Swift & Company renders—making available to you numerous products of the highest quality, when, where, and as you wish them.

This has been made possible by the development, during more than a half century of service, of 23 packing plants adjacent to the best producing centers, hundreds of branch distributing houses, one of them near you, and several thousand refrigerator cars which carry the meat to your dealer in the best condition.

Volume production enables Swift & Company to offer you this service at an average profit from all sources of only a fraction of a cent a pound.
